DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

[0917-ZA00]

Redesignation of Contract Health Service Delivery Area; Confederated Tribes of the Chehalis Reservation

AGENCY: Indian Health Service, HHS.

ACTION: Final notice.

SUMMARY: The Notice advises the public that the Indian Health Service (IHS) is redesignating the geographic boundaries of the Contract Health Service Delivery Area (CHSDA) for the Confederated Tribes of the Chehalis Reservation, Washington ("the Tribes"). The

Chehalis CHSDA currently is comprised of Grays Harbor and Thurston Counties in the State of Washington. These counties were designated as the Tribes' CHSDA in the Federal Register of January 10, 1984 (49 FR 1291). Lewis County, Washington, is being added to the existing CHSDA. This notice is issued under authority of 43 FR 34654, August 4, 1978.

DATE: March 13, 1996.

FOR FURTHER INFORMATION CONTACT:

Leslie M. Morris, Acting Director, Division of Legislation and Regulations, Office of Planning, Evaluation and Legislation, Indian Health Service, Suite 450, 12300 Twinbrook Parkway, Rockville, Maryland 20852, Telephone 301/443-1116. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On August 4, 1978, the IHS published regulations establishing eligibility criteria for receipt of contract health services (CHS) and for the designation of CHSDAs (43 FR 34654, codified at 42 CFR 36.22, last published in the 1986 version of the Code of Federal Regulations). On September 16, 1987, the IHS published new regulations governing eligibility for IHS services. Congress has repeatedly delayed implementation of the new regulations by imposing annual moratoriums. Section 719(a) of the Indian Health Care Amendments of 1988, Pub. L. 100-713, explicitly provides that during the period of the moratorium placed on implementation of the new eligibility regulations, the IHS will provide services pursuant to the criteria in effect on September 15, 1987. Thus the IHS CHS program continues to be governed by the regulations contained in the 1986 edition of the Code of Federal Regulations in effect on September 15, 1987. See 43 CFR 36.21 *et seq.* (1986).

As applicable to the Tribes, these regulations provide that, unless otherwise designated, a CHSDA shall consist of a county which includes all or part of a reservation and any county or counties which have a common boundary with the reservation (42 CFR 36.22(a)(6) (1986)). The regulations also provide that after consultation with the tribal governing body or bodies of those reservations included in the CHSDA, the Secretary may, from time to time, redesignate areas within the United States for inclusion in or exclusion from a CHSDA. The regulations require that certain criteria must be considered before any redesignation is made. The criteria are as follows:

(1) The number of Indians residing in the area proposed to be so included or excluded;

(2) Whether the tribal governing body has determined that Indians residing in the area near the reservation are socially and economically affiliated with the tribe;

(3) The geographic proximity to the reservation of the area whose inclusion or exclusion is being considered; and

(4) The level of funding which would be available for the provision of contract health services.

Additionally, the regulations require that any redesignation of a CHSDA must be made in accordance with the procedures of the Administrative Procedure Act (5 U.S.C. 553). In compliance with this requirement, the IHS published a proposal in 60 FR 56159, November 7, 1995, to redesignate the CHSDA for the Confederate Tribes of the Chehalis Reservation, Washington. No comments were received.

The request of the Confederated Tribes of Chehalis Reservation to expand their CHSDA was presented in the Tribal Resolution 1994-38, dated August 17, 1994. The Tribes' request will expand their current CHSDA, which incorporates Garys Harbor and Thurston Counties in the State of Washington, to include Lewis County, Washington.

Under 42 CFR 36.23 those otherwise eligible Indians who do not reside on a reservation but reside within a CHSDA must be either members of the tribe or maintain close economic and social ties with the tribe. In this case, the tribe estimates that the current eligible CHS population will be increased by 25 individuals consisting of 13 enrolled Chehalis tribal members and 12 non-Chehalis members not currently covered because these individuals have no close economic and social ties with the Yakama but do with the Chehalis.

In applying the aforementioned CHSDA redesignation criteria required by operative regulations (43 FR 35654), the following findings are made:

1. Lewis County is contiguous with Thurston County. Both counties are within the State of Washington.

2. Lewis County is part of the Tribes' traditional territory and many tribal members retain ownership of public domain allotments there.

3. The Tribes share co-management responsibility with the State of Washington for 2,600 square miles of rivers and streams in the Chehalis River Basin, which includes Lewis County. Lands adjacent to the Chehalis River have historically been considered in defining the original tribal homeland.

4. The majority of potential new CHS users who reside in Lewis County are within 15 miles of the Tribes limited direct care facility and depend on the

Tribes for their health care requirements.

5. The nearest IHS comprehensive health center available to provide care for these beneficiaries is located in Toppenish, Washington, which is 150 miles away.

6. The current CHS patient care resources available to the tribes total \$331,364 for 392 users. Per capita combined workload units (CWUs) are estimated at 5.7. The estimated costs associated with this request are \$21,090 and are calculated as follows:

392 current users \times 5.7 CWUs=2,234 CWUs

\$331,364 (current funding)/2,234 CWUs=\$148 per CWU

\$148 \times 25 (new users) \times 5.7 CWUs=\$21,090

7. The financial resources required to meet the immediate needs of potential Lewis County users will not be substantial and will be absorbed by that tribe's total health care program within available resources.

Since CHS is a critical component of the Tribes' overall health care system for its members, the Tribes feels that the members living in Lewis County, Washington, should be included within the CHSDA for the Tribes.

Accordingly, after considering the Tribes' request in light of the criteria specified in the regulations, the IHS is redesignating the CHSDA of the Tribes to consist of Grays Harbor, Thurston, and Lewis counties of the State of Washington.

This notice does not contain reporting or recordkeeping requirements subject to prior approval by the Office of Management and Budget under the Paperwork Reduction Act of 1980.
