ACTION: Notice of Extension of Time Limits of Antidumping Duty Administrative Review.

SUMMARY: The Department of Commerce (the Department) is extending the time limits for preliminary and final results in the administrative review of the antidumping duty order on certain internal-combustion, industrial forklift

trucks from Japan, covering the period June 1, 1994, through May 31, 1995, since it is not practicable to complete the review within the time limits mandated by the Tariff Act of 1930, as amended, 19 U.S.C. 1675(a) (the Act).

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce has received a request to conduct an administrative review of the antidumping duty order on certain internal-combustion, industrial forklift trucks from Japan. On August 16, 1995,

the Department initiated this administrative review covering the period June 1, 1994, through May 31, 1995. The Department adjusted the time limits by 28 days due to the government shutdowns, which lasted from November 14, 1995, to November 20, 1995, and from December 15, 1995, to January 6, 1996. See Memorandum to the file from Susan G. Esserman, Assistant Secretary for Import Administration, January 11, 1996. As adjusted, the current time limits are March 29, 1996, for the preliminary results and July 27, 1996, for the final results.

It is not practicable to complete this review within the time limits mandated by section 751 (a) (3) (A) of the Act. Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to July 27, 1996, and for the final results to January 23, 1997.
