

is readily accessible to all social security offices. The database includes information concerning any prior performance as a representative payee.

SSA selects the best payee from among the applicants who are willing to serve. If none is immediately available, SSA continues developing leads until a satisfactory applicant is located. Unless direct payment is legally prohibited, benefits generally continue to be paid to a beneficiary while SSA seeks a qualified payee.

Advance notification of the payee selection is provided to the beneficiary (or his/her legal representative or guardian) before payment is certified and the beneficiary is given the opportunity to appeal the payee selection.

Agenda: The Committee will meet commencing at 9:00 a.m. to 8:30 p.m. on Thursday, March 28, 1996, with a break for dinner and from 9:00 a.m. to 5:00 p.m. on Friday, March 29, 1996. The public is invited to attend both days, including the evening deliberation; however, no testimony will be heard that evening. Agenda items for both days will include, but not be limited to, a discussion concerning the investigation and selection of the payee applicant. Oral statements on these issues or any issue concerning representative payment policy are sought from the public for presentation on March 29. Presentations will be limited to 5 minutes per public speaker.

SUPPLEMENTARY INFORMATION:

Federal Aviation Administration Authorization Act of 1994

This proposed statement of policy and related procedures is being published pursuant to section 111 of the Federal Aviation Administration Authorization Act of 1994, Public Law 103-305 (August 23, 1994) (1994 Authorization Act). That section requires the Secretary, through a new grant assurance and through establishment of a new report format, to require two new reports relating to airport revenue.

Section 111(a) of the 1994 Authorization Act amends Title 49 U.S.C. 47107(a) to add a new sponsor assurance. New assurance no. 26(e) requires airport owners or operators to submit to the Secretary and make available to the public an annual report listing all amounts paid by the airport to other units of government and the purposes for the payments. Airport owners or operators must also make available a listing of all services and property provided to other units of government and the amount of compensation received for provision of each such service and property.

Section 111(b) of the 1994 Authorization Act requires the Secretary to issue a simplified format for financial reporting for airports, to assist in public understanding of airport finances and to provide information concerning the amount of any revenue surplus, the amount of concession-generated revenue, and other information required by the Secretary. Under existing Assurance 26, the sponsor is obligated to submit such annual or special financial and operations reports as the Secretary may reasonably request. Section 111(b) specifies a report to be submitted under that authority. Specifically, Section 111(b) requires that the report include:

* * * information relating to total revenues, operating expenditures, capital expenditures, debt service payments, contributions to restricted funds, accounts, or reserves required by financing agreements or covenants or airport lease or use agreements or covenants. Such format shall require each commercial service airport to report the amount of any revenue surplus, the amount of concession-generated revenue, and other information as required by the Secretary.

An operating and financial report, such as the Operating and Financial Summary, may be required under Assurance No. 26 at the request of the Secretary. Responsibility for administration of this requirement is delegated to the FAA. By this notice the FAA is requiring the filing of annual financial and operating reports under
