**BILLING CODE 6355-01-P**

**DEPARTMENT OF TRANSPORTATION****Coast Guard****33 CFR Part 117**

[CGD07-96-010]

**Drawbridge Operation Regulations:  
Atlantic Intracoastal Waterway, FL****AGENCY:** Coast Guard, DOT.**ACTION:** Notice of deviation from regulations and request for comments.

**SUMMARY:** Notice is hereby given that the Coast Guard issuing a temporary deviation to the regulations governing the J.D. Butler (Hillsboro Boulevard, State Road 810) drawbridge, mile 1050.0, at Deerfield Beach, from March 1, 1996 through May 30, 1996. This deviation authorizes the bridge owner to open the draw on signal, except that, from 7 a.m. to 6 p.m., Monday through Thursday, the draw need open only on the hour, 20 minutes after the hour, and forty minutes after the hour; and from 7 a.m. to 6 p.m., Friday through Sunday and federal holidays, the draw need open only on the hour and half-hour. The purpose of this temporary change in opening schedule from Friday through Sunday and federal holidays is to test the feasibility of establishing a permanent change to the seasonal opening restrictions to reduce severe vehicular traffic congestion without unreasonably impacting navigation.

**DATES:** This deviation is effective from March 1, 1996 through May 30, 1996, unless sooner terminated. Comments on the alternate schedule must be received on or before May 30, 1996.

**ADDRESSES:** Comments may be mailed to Commander (oan), Seventh Coast Guard District, Brickell Plaza Federal Building, Room 406, 909 SE. 1st Avenue, Miami, Florida 33131-3050. The comments and other materials referenced in this notice will be available for inspection and copying at the above address. Normal office hours are between 7:30 a.m. and 4 p.m., Monday through Friday, except federal holidays. Comments may also be hand-delivered to the above address.

**FOR FURTHER INFORMATION CONTACT:** Mr. Brodie Rich, Bridge Management Specialist, Seventh Coast Guard District, at 305-536-5117.

**SUPPLEMENTARY INFORMATION:**

## Request for Comments

The Coast Guard encourages interested persons to participate in this evaluation of possible changes to the regulations governing the J.D. Butler Drawbridge over the Atlantic Intracoastal Waterway by submitting

written data, or arguments for or against this deviation. Persons submitting comments should include their name, address, identify this rulemaking (CGD07-96-010) and give the reason for each comment. Persons wanting acknowledgment of receipt of comments should enclose a stamped self-addressed postcard or envelope.

The Coast Guard will consider all comments received during the comment period and determine whether to initiate a rulemaking to propose a permanent change to the drawbridge operation schedule. Persons may submit comments by writing to the Commander (oan), Seventh Coast Guard District listed under **ADDRESSES**.

## Background and Purpose

The City of Deerfield Beach has requested a change from the current seasonal operating schedule in Title 33 CFR 117.261(bb) to a year-round hour and half-hour opening schedule. A Coast Guard analysis of highway traffic and bridge opening data provided by the Florida Department of Transportation which was completed on May 8, 1995, indicated the heavy traffic congestion is limited to weekends during the winter tourist season. This deviation will allow a test of the proposed hour and half-hour opening schedule during the heaviest highway and waterway traffic periods. If the test reduces highway traffic congestion without unreasonably impacting navigation, the Coast Guard plans to publish a Notice of Proposed Rulemaking which will request comments on a permanent change to the regulations.

Public vessels of the United States, tugs with tows, and vessels in a situation where a delay would endanger life or property shall, upon proper signal, be passed through the draw at any time.

This deviation from normal operating regulations (33 CFR 117.5) is authorized in accordance with the provisions of title 33 of the Code of Federal Regulations, § 117.43.

Dated: March 7, 1996.

P.J. Cardaci,

*Captain U.S. Coast Guard, Commander,  
Seventh Coast Guard District, Acting.*
