BILLING CODE 4310-55-M

Revised Procedures for Selecting and Funding Federal Aid in Sport Fish and Wildlife Restoration Administrative Projects

AGENCY: Interior, Fish and Wildlife Service.

ACTION: Notice.

SUMMARY: The Service is announcing procedures for obtaining funding for Federal Aid administrative projects and availability of an estimated \$1,600,000 for Wildlife Restoration projects and \$750,000 for Sport Fish projects. This year's program eliminates several eligibility requirements, updates focus areas, and clarifies documentation needs from the previous year.

DATES: Applications/proposals must be received by June 1, 1996.

ADDRESSES: Proposals must be submitted to: U.S. Fish and Wildlife Service, Chief, Division of Federal Aid, MS 140 ARLSQ, 4401 North Fairfax Drive, Arlington, Virginia 22203.

FOR FURTHER INFORMATION CONTACT: Mr. Robert D. Lange, Jr., Chief, Division of Federal Aid, U.S. Fish and Wildlife Service; (703) 358-2156.

SUPPLEMENTARY INFORMATION: The Service publishes a notice in the Federal Register each year announcing the deadline for project proposals, the amount of money available for Sport Fish and Wildlife Restoration projects, and the focus areas identified for the year. Focus areas are used to promote and encourage efforts that address priority needs of the State fish and wildlife agencies.

The focus areas contained in this notice were developed in cooperation with the Grants-in-Aid Committee of the International Association of Fish and Wildlife Agencies and represent that group's assessment of priority projects. The focus areas are provided as a guide so that applicants will know the types of projects that will likely score higher in the rankings.

Several changes have been made since the last year's program. Previously, both eligibility requirements and selection criteria were specified. These have been combined this year to clarify requirements. Also any limitation on the amount of funding that may be requested is eliminated and extending a project longer than three years is possible. Some documentation changes were made to be consistent with standard documentation contained in 43 CFR Part 12. Advance notice is also given that proposals will be required by May 1 in future selection processes following this year.

States, local governments, charitable and educational institutions, and other authorized recipients are authorized to apply for grants according to these procedures. The Department of the Interior has promulgated rules (43 CFR Part 12) adopting common rules developed by the Office of Management and Budget as required by OMB Circulars A-102 and A-110 that contain

administrative requirements that apply to these grants. This annual grant program does not contain information collection requirements for which approval by the Office of Management and Budget under the Paperwork Reduction Act of 1995, as specified in 43 CFR Part 12.4 are required. The information collection requirements for this grant program are those necessary to comply with 43 CFR Part 12, which include (a) project narrative; and (b) compliance with Federal laws, regulations, and policies.

Record keeping includes the tracking of costs and accomplishments, monitoring progress and evaluating accomplishments, and reporting requirements. The Standard Form 424 series prescribed by OMB Circulars A-102 and A-110 have the OMB clearance number 0348-0043.

Dated: March 29, 1996.

John G. Rogers,

Deputy Director.
