BILLING CODE 7590-01-P

Iowa, North Dakota and Utah; Relinquishment of Sealed Source and Device Evaluation Authority and Reassumption by the Commission

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of reassumption of sealed source and device evaluation authority from the states of Iowa, North Dakota, and Utah.

SUMMARY: Notice is hereby given that effective June 1, 1996, the Nuclear Regulatory Commission will reassume regulatory authority for sealed source and device evaluations in the Agreement States of Iowa, North Dakota, and Utah in response to requests from those States to relinquish that authority.

EFFECTIVE DATE: June 1, 1996.

FOR FURTHER INFORMATION CONTACT: Stephen Salomon, Office of State Programs, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Telephone: (301) 415-2368. Internet: SNS@NRC.GOV.

SUPPLEMENTARY INFORMATION: Currently, Iowa, North Dakota, and Utah have agreements with the Nuclear Regulatory Commission (NRC) which grant these States authority to regulate specific categories of radioactive materials formerly regulated by NRC. These agreements have been entered into pursuant to Section 274b of the Atomic Energy Act of 1954, as amended. Recently, the NRC received letters from North Dakota Governor Edward T. Schafer (September 25, 1995), Iowa Governor Terry E. Branstad (January 22, 1996), and Utah Governor Michael O. Leavitt (January 16, 1996), each requesting to relinquish his State's authority to evaluate sealed sources and devices, and that the NRC reassume this authority. The requested NRC action would involve reassertion of regulatory authority by NRC over activities currently regulated by these States pursuant to their agreements with NRC.

The Governors note there has been little or no need to conduct such evaluations in the past and given no future prospects for device evaluations, they do not believe they can continue to justify the costs to the State to maintain this authority.

The Commission has agreed to these requests and has notified these Agreement States that effective June 1, 1996, the NRC will reassume authority to evaluate and approve sealed source and device applications within these States. Iowa, North Dakota, and Utah will retain authority to regulate the manufacture and use of sealed sources and devices within the respective State in accordance with its Section 274b agreement with the NRC.

Dated at Rockville, Maryland, this 30th day of April, 1996.

For the Nuclear Regulatory Commission.

John C. Hoyle,

Secretary of the Commission.

Applicant's Representations

1. Applicant is an open-end management investment company organized as a Delaware limited partnership. On August 17, 1987, applicant registered under the Act and filed a registration statement to register its securities under the Securities Act of 1933. Applicant's registration statement was declared effective on November 9, 1988, and its initial public offering commenced shortly thereafter.

2. On January 7, 1992, in light of applicant's small size and the resulting unlikelihood of achieving economies of scale, the Individual General Partners of applicant unanimously approved a Plan of Dissolution, Liquidation, and Termination (the "Plan") providing for the dissolution of applicant, the

liquidation of applicant's assets, and the distribution of the proceeds from such liquidation to applicant's unitholders. Proxy materials relating to the Plan were filed with the SEC and distributed to unitholders on or about March 26, 1992. On April 30, 1992, a majority of applicant's unitholders approved the Plan.

3. As of April 30, 1992, applicant had 200,205.41 units of partnership interest outstanding, with a net asset value of \$9.95 per unit and an aggregate net asset value of \$1,992,053.80. On May 1, 1992, applicant's assets were liquidated and the proceeds of such liquidation, less an amount retained for liabilities, were distributed to applicant's unitholders in an amount based upon applicant's per share net asset value. All sales of portfolio securities were executed in open market transactions through brokers or dealers not affiliated with applicant or its investment adviser.

4. The expenses applicable to the liquidation amounted to approximately \$70,824.57. These expenses, which were for accounting, printing, administrative, and legal services, were borne by applicant's investment adviser and administrator. In addition, prior to distribution of applicant's assets, its adviser and administrator contributed to applicant's assets an amount equal to applicant's unamortized organizational expenses.

5. At the time of filing the application, applicant had no assets or liabilities. Applicant has no unitholders and is not a party to any litigation or administrative proceeding. Applicant is not engaged in, and does not propose to engage in, any business activities other than those necessary for the winding-up of its affairs. To effect the dissolution of applicant as a Delaware limited partnership, a certificate of cancellation will be filed with the Secretary of State of the State of Delaware.

For the SEC, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.
