

must provide sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner to relief. A petitioner who fails to file such a supplement which satisfies these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing, including the opportunity to present evidence and cross-examine witnesses. Since the Commission has made a final determination that the amendment involves no significant hazards consideration, if a hearing is requested, it will not stay the effectiveness of the amendment. Any hearing held would take place while the amendment is in effect.

A request for a hearing or a petition for leave to intervene must be filed with the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-001, Attention: Docketing and Services Branch, or may be delivered to the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, by the above date. Where petitions are filed during the last 10 days of the notice period, it is requested that the petitioner promptly so inform the Commission by a toll-free telephone call to Western Union at 1-(800) 248-5100 (in Missouri 1-(800) 342-6700). The Western Union operator should be given Datagram Identification Number N1023 and the following message addressed to (*Project Director*): petitioner's name and telephone number, date petition was mailed, plant name, and publication date and page number of this Federal Register notice. A copy of the petition should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-001, and to the attorney for the licensee.

Nontimely filings of petitions for leave to intervene, amended petitions, supplemental petitions and/or requests for a hearing will not be entertained absent a determination by the Commission, the presiding officer or the Atomic Safety and Licensing Board that the petition and/or request should be granted based upon a balancing of the factors specified in 10 CFR 2.714(a)(1)(i)-(v) and 2.714(d).

**SUMMARY:** The Nuclear Regulatory Commission (NRC) is proposing to establish a new Privacy Act System of Records, NRC-41, "Tort Claims and Personal Property Claims," to maintain records needed to evaluate, settle, refer, pay, and/or adjudicate claims filed by individuals against the NRC.

**EFFECTIVE DATES:** The new system of records will become effective without further notice on June 17, 1996, unless comments received on or before that date cause a contrary decision. If changes are made based on NRC's review of comments received, NRC will publish a new final notice.

Hand deliver comments to 11555 Rockville Pike, Rockville, Maryland, between 7:45 am and 4:15 pm Federal workdays. **SUPPLEMENTARY INFORMATION:** NRC is proposing to establish a new System of Records, NRC-41, "Tort Claims and Personal Property Claims—NRC," that will be used to evaluate, settle, refer, pay, and/or adjudicate claims filed by individuals against the NRC.

The system of records (system) will contain information concerning claims by individuals who seek reimbursement from NRC for loss of or damage to personal property, personal injury, or death. It will also include information concerning individuals who have matters pending before the NRC that may result in a claim being filed. Specific information to be maintained in the system includes, but is not limited to, the individual's name, home address and phone number, work address and phone number, police reports, medical records, insurance information, and any other information necessary for the evaluation of claims or pre-claims.

A report on the proposed new system of records, required by 5 U.S.C. 552a(r) and Appendix I to Office of Management and Budget (OMB) Circular No. A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," is being sent to OMB, the Committee on Governmental Affairs, U.S. Senate, and the Committee on Government Reform and Oversight, U.S. House of Representatives.

Accordingly, the NRC proposes to add NRC-41 to read as follows:

#### **NRC-41**

##### **SYSTEM NAME:**

Tort Claims and Personal Property Claims—NRC.

##### **SYSTEM LOCATION:**

Primary system—Office of the General Counsel, NRC, 11555 Rockville Pike, Rockville, Maryland.

Duplicate systems—Duplicate systems exist, in whole or in part, in the Office of the Controller (OC), NRC, 11545 Rockville Pike, Rockville, Maryland, and at the locations listed in Addendum I, Parts 1 and 2. Other NRC systems of records, including but not limited to, NRC-18, "Office of the Inspector General Investigative Records—NRC," and NRC-32, "OC Financial Transactions and Debt Collection Management Records—NRC," may contain some of the information in this system of records.

##### **CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:**

Individuals who have filed claims with NRC under the Federal Tort Claims Act or the Military Personnel and Civilian Employees' Claims Act and individuals who have matters pending before the NRC that may result in a claim being filed.

##### **CATEGORIES OF RECORDS IN THE SYSTEM:**

This system contains information relating to loss or damage to property and/or personal injury or death in which the U.S. Government may be liable. This information includes, but is not limited to, the individual's name, home address and phone number, work address and phone number, claim forms and supporting documentation, police reports, witness statements, medical records, insurance information, investigative reports, repair/replacement receipts and estimates, litigation documents, court decisions, and other information necessary for the evaluation and settlement of claims and pre-claims.

##### **AUTHORITY FOR MAINTENANCE OF THE SYSTEM:**

Federal Tort Claims Act, 28 U.S.C. 2671 et seq.; The Military Personnel and Civilian Employees' Claims Act of 1964, as amended, 31 U.S.C. 3721.

##### **ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:**

In addition to the disclosures permitted under subsection (b) of the Privacy Act, NRC may disclose information contained in a record in this system of records without the consent of the subject individual if the disclosure is compatible with the purpose for which the record was collected under the following routine uses:

a. To third parties, including claimants' attorneys, insurance companies, witnesses, potential witnesses, local police authorities where an accident occurs, and others who may have knowledge of the matter to the extent necessary to obtain information that will be used to evaluate, settle, refer, pay, and/or adjudicate claims.

b. To the Department of Justice (DOJ) when the matter comes within their jurisdiction, such as to coordinate litigation or when NRC's authority is limited and DOJ advice or approval is required before NRC can award, adjust, compromise, or settle certain claims.

c. To the appropriate Federal agency or agencies when a claim has been incorrectly filed with NRC or when more than one agency is involved and NRC makes agreements with the other agencies as to which one will investigate the claim.

d. The Department of the Treasury to request payment of an award, compromise, or settlement of a claim.

e. Information contained in litigation records is public to the extent that the documents have been filed in a court or public administrative proceeding, unless the court or other adjudicative body has ordered otherwise. Such public information, including information concerning the nature, status, and disposition of the proceeding, may be disclosed to any person, unless it is determined that release of specific information in the context of a particular case would constitute an unwarranted invasion of personal privacy.

f. To the National Archives and Records Administration or to the General Services Administration for records management inspections conducted under 44 U.S.C. 2904 and 2906.

g. For any of the routine uses specified in the Prefatory Statement of General Routine Uses.

##### **RETRIEVABILITY:**
