agency wishes to minimize the administrative burden with § 543.9(c)(2) could place on exempted vehicle manufacturers and itself.

The agency did not intend in drafting Part 543 to require the submission of a modification petition for every change to the components or design of an antitheft device. The significance of many such changes could be de minimis. Therefore, NHTSA suggests that if the manufacturer contemplates making any changes the effects of which might be characterized as de minimis, it should consult the agency before preparing and submitting a petition to modify.

This notice is filed under 49 CFR 1180.2(d)(7). If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not stay the transaction.

Ån original and 10 copies of all pleadings, referring to STB Finance Docket No. 32940, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Branch, 1201 Constitution Avenue, NW., Washington, DC 20423 and served on: James B. DEPARTMENT OF VETERANS AFFAIRS

BILLING CODE 8230-01-M

Medical Research Service Merit Review Committee; Amended Notice of Meeting

The Department of Veterans Affairs gives notice under the Federal Advisory

Committee Act, 5 U.S.C. App., that the Medical Research Service Merit Review Committee, formerly scheduled to meet June 5, 1996, has been rescheduled to meet June 4, 1996, from 8 a.m. to 5 p.m. at the Holiday Inn Central, 1501 Rhode Island Avenue, NW., Washington, DC.

The meeting will be for the purpose of evaluating the scientific merit of research conducted in each specialty by Department of Veterans Affairs (VA) investigators working in VA Medical Centers and Clinics.

This meeting will be open to the public up to the seating capacity of the room at the start of the meeting to discuss the general status of the program. The meeting will be closed to the public after approximately one hour from the start for the review, discussion, and evaluation of initial and renewal projects.

The closed portion of the meeting involves: discussion, examination, reference to, and oral review of site visits, staff and consultant critiques of research protocols and similar documents. During this portion of the meeting, discussions and recommendations will deal with qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency action regarding such research projects. As provided by subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of this meeting is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B). Because of the limited seating capacity of the room, those who plan to attend should contact Dr. LeRoy Frey, Chief, Program Review Division, Medical Research Service, Department of Veterans Affairs, Washington, DC, (202) 565-5942, at least five days prior to each meeting. Minutes of the meeting and a roster of the members may be obtained from this source.

Dated: May 8, 1996. By Direction of the Secretary. Heyward Bannister,

Committee Management Officer.
