## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4066-N-02]

### Office of Administration; Notice of Submission of Proposed Information Collection to OMB

**AGENCY:** Office of Administration (HUD).

**ACTION:** Notice.

**SUMMARY:** The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for emergency review and approval, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

**DATES:** The due date for comments is June 12, 1996.

**ADDRESSES:** Interested persons are invited to submit comments regarding this proposal. Comments must be received with 7 days from the date of this Notice. Comments should refer to

the proposal by name and should be sent to: Joseph F. Lackey, Jr., HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

#### FOR FURTHER INFORMATION CONTACT:

Kay F. Weaver, Reports Management Officer, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 708-0050. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Weaver.

**SUPPLEMENTARY INFORMATION:** This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to a proposed "Application Kit for the Tenant Opportunities Program" (TOP).

The TOP Program meets the needs in many communities for business development, education, job training and development, social services, and opportunities for other self-help initiatives. The program enables resident entities to establish priorities, based on the efforts in their public and Indian housing communities, that are aimed at furthering economic lift and independence. Financial assistance in the form of technical assistance grants is provided by the Secretary to resident grantees to prepare for management activities in their housing development. The TOP technical assistance grants are available for "the development of resident management entities, including the formation of such entities, the development of the management capability of newly formed or existing entities, the identification of the social support needs of residents of public housing projects and the securing of such support."

Residents may use TOP technical assistance grants for training related to any TOP initiative. The results from organizations in training have been significant and multifaceted. For example, resident-managed activities have resulted in economic development, resident self-sufficiency, improved living conditions, and enhanced social services for residents (i.e., child care and other youth projects). TOP will provide public and Indian housing residents the opportunity to be trained and move toward responsible roles in their communities. The training will aim to enhance the functioning of the resident council as well as develop skills to engage in resident-managed activities in its community.

The TOP offers the Basic and Additional technical assistance grants to Resident Councils (RCs)/Resident Management Corporations (RMCs)/Resident Organizations (ROs) and National Resident Organizations (NROs)/Regional Resident Organizations (RROs) and Statewide Resident Organizations (SROs). The grants are awarded on a competitive basis and the maximum amount is \$100,000 per project.

To appropriately determine which RCs/RMCs/ROs and NROs/RROs/SROs should be awarded a Tenant Opportunities Program Technical Assistance Grant (TOP/TAG), all applicants must complete certain information to be eligible for funding.

The Department has submitted the proposal for the collection of information to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35). The Department has requested emergency clearance of the collection of information, as described below, with approval being sought by June 3, 1996:
