

Hardwood Flooring from Canada 61 FR 30280 (April 4, 1996)). On May 20, 1996, the Ad Hoc Committee on Laminated Hardwood Trailer Flooring Imports (the petitioners) alleged that Nilus Leclerc Inc. (Leclerc), the Quebec producer of LHF in this investigation, is receiving upstream subsidies, as described under section 771A of the Act.

The May 15, 1996 upstream subsidy allegation submitted by petitioners, as supplemented by additional information, provides reasonable grounds for the Department to believe or suspect that stumpage subsidies provided by the Government of Quebec are being passed through to Leclerc pursuant to the purchase of hardwood lumber from suppliers. Accordingly, the Department is extending the deadline for its preliminary determination in this countervailing duty investigation in order to investigate the alleged upstream subsidies provided to Leclerc.

Under Section 703(g), the preliminary determination may be extended up to 250 days after the March 7, 1996 filing of the petition.

Dated: May 31, 1996

Deputy Assistant Secretary for Import Administration.

SUMMARY: In accordance with Executive Order 11625 and 15 U.S.C. 1512, the Minority Business Development Agency (MBDA) is soliciting competitive applications from organizations to operate the Minority Business Development Centers (MBDC) listed in this document.

The purpose of the MBDC Program is to provide business development assistance to persons who are members of groups determined by MBDA to be socially or economically disadvantaged, and to business concerns owned and controlled by such individuals. Standard Paragraphs

The following information and requirements are applicable to the listed MBDCs: Boston, Connecticut, and Washington, D.C.

The funding instrument for this project will be a cooperative agreement. If the recommended applicant is the current incumbent organization, the

award will be for 12 months. For those applicants who are not incumbent organizations or who are incumbents that have experienced closure due to a break in service, a 30-day start-up period will be added to their first budget period, making it a 13-month award. Competition is open to individuals, non-profit and for-profit organizations, state and local governments, American Indian tribes and educational institutions.

Applications will be evaluated on the following criteria: the knowledge, background and/or capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of minority businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the application (25 points); and the firm's estimated cost for providing such assistance (20 points). In accordance with Interim Final Policy published in the Federal Register on May 31, 1996, the scoring system will be revised to add ten (10) bonus points to the application of community-based organizations. Each qualifying application will receive the full ten points. Community-based applicant organizations are those organizations whose headquarters and/or principal place of business within the last five years have been located within the geographic service area designated in the solicitation for the award. Where an applicant organization has been in existence for fewer than five years or has been present in the geographic service area for fewer than five years, the individual years of experience of the applicant organization's principals may be applied toward the requirement of five years of organization experience. The individual years of experience must have been acquired in the geographic service area which is the subject of the solicitation. An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. Those applications determined to be acceptable and responsive will then be evaluated by the Director of MBDA. Final award selections shall be based on the number of points received, the demonstrated responsibility of the applicant, and the determination of those most likely to further the purpose of the MBDA program. Negative audit findings and

recommendations and unsatisfactory performance under prior Federal awards may result in an application not being considered for award. The applicant with the highest point score will not necessarily receive the award. Periodic reviews culminating in year-to-date evaluations will be conducted to determine if funding for the project should continue. Continued funding will be at the total discretion of MBDA based on such factors as the MBDC's performance, the availability of funds and Agency priorities.

The MBDC shall be required to contribute at least 40% of the total project cost through non-federal contributions. To assist in this effort, the MBDC may charge client fees for services rendered. Fees may range from \$10 to \$60 per hour based on the gross receipts of the client's business.

Anticipated processing time of this award is 120 days. Executive order 12372, "Intergovernmental Review of Federal Programs," is not applicable to this program. Federal funds for this project include audit funds for non-CPA recipients. In event that a CPA firm wins the competition, the funds allocated for audits are not applicable. Questions concerning the preceding information can be answered by the contact person indicated above, and copies of application kits and applicable regulations can be obtained at the above address. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the PRA, unless that collection of information displays a currently valid OMB Control Number. The collection of information requirements for this project have been approved by the Office of Management and Budget (OMB) and assigned OMB control number 0640-0006.

Awards under this program shall be subject to all Federal laws, and Federal and Departmental regulations, policies, and procedures applicable to Federal financial assistance awards.

Pre-Award Costs—Applicants are hereby notified that if they incur any costs prior to an award being made, they do so solely at their own risk of not being reimbursed by the Government. Notwithstanding any verbal assurance that an applicant may have received, there is no obligation on the part of the Department of Commerce to cover pre-award costs.

Outstanding Account Receivable—No award of Federal funds shall be made to an applicant who has an outstanding delinquent Federal debt until either the

delinquent account is paid in full, repayment schedule is established and at least one payment is received, or other arrangements satisfactory to the Department of Commerce are made.

Name Check Policy—All non-profit and for-profit applicants are subject to a name check review process. Name checks are intended to reveal if any key individuals associated with the applicant have been convicted of or are presently facing criminal charges such as fraud, theft, perjury or other matters which significantly reflect on the applicant's management honesty or financial integrity.

Award Termination—The Departmental Grants Officer may terminate any grant/cooperative agreement in whole or in part at any time before the date of completion whenever it is determined that the award recipient has failed to comply with the conditions of the grant/cooperative agreement. Examples of some of the conditions which can cause termination are failure to meet cost-sharing requirements; unsatisfactory performance of the MBDC work requirements; and reporting inaccurate or inflated claims of client assistance. Such inaccurate or inflated claims may be deemed illegal and punishable by law.

False Statements—A false statement on an application for Federal financial assistance is grounds for denial or termination of funds, and grounds for possible punishment by a fine or imprisonment as provided in 18 U.S.C. 1001.
