

Agricultural Act of 1956, as amended (7 U.S.C. 1854).

A notice published in the Federal Register on April 17, 1996 (61 FR 16762) announces that if no solution is agreed upon in consultations between the Governments of the United States and El Salvador on Categories 342/642, the Committee for the Implementation of Textile Agreements may establish a limit at a level of not less than 209,563 dozen for the twelve-month period beginning on March 29, 1996 and extending through March 28, 1997.

Inasmuch as no agreement was reached during the consultation period on a mutually satisfactory solution on Categories 342/642, the United States Government has decided to control imports in these categories for the period beginning on March 29, 1996 and extending through March 28, 1997 at a level of 209,563 dozen.

This action is taken in accordance with the Uruguay Round Agreement on Textiles and Clothing and the Uruguay Round Agreements Act.

The United States remains committed to finding a mutual solution concerning Categories 342/642. Should such a solution be reached in consultations with the Government of El Salvador, further notice will be published in the Federal Register.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see Federal Register notice 60 FR 65299, published on December 19, 1995).

Acting Chairman, Committee for the Implementation of Textile Agreements.

¹ The limit has not been adjusted to account for any imports exported after March 28, 1996.
