

OMB Number: 0575-0105.

Expiration Date of Approval:
December 31, 1996.

Type of Request: Extension of a currently approved information collection.

Abstract: The rural housing loan program under Section 502 of the Housing Act of 1949, 42 U.S.C. Section 1472, enables persons of low- to moderate income to purchase adequate but modest dwellings in rural areas. In addition, the program includes borrowers that obtain financing from the RHS under Section 504 of the Housing Act of 1949. The Section 504 program enables very low-income owner-occupants in rural areas to obtain loans to remove unsafe, unhealthy, and hazardous conditions from their homes. RHS has the responsibility, to assure that when it is determined that the borrower or grantee was not eligible for all or part of the financial assistance which they received that appropriate action is taken. The borrower or grantee may be required to repay the unauthorized financial assistance received or establish a repayment schedule for the unauthorized assistance.

RHS will be collecting information on borrowers or grantees who may be recipients of unauthorized assistance. The information is collected and evaluated by the local RHS County Office. The information is needed by the Agency to determine if the borrowers/grantees have received financial assistance for which they are not eligible. The information is collected when RHS becomes aware that the borrowers/grantees may have received unauthorized assistance. If not collected, the borrower/grantee would be unable to provide evidence that they did not receive unauthorized assistance and the Agency would be unable to obtain further information to assist in their determination of unauthorized assistance.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .92 hours per response.

Respondents: Individuals or households.

Estimated Number of Respondents: 2,100

Estimated Number of Responses per Respondent: 1.14

Estimated Total Annual Burden on Respondents: 2,229

Copies of this information collection can be obtained from Johnnie Anderson, Regulations and Paperwork Management Division, at (202) 720-9735.

COMMENTS: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of RHS, including whether the information will have practical utility; (b) the accuracy of RHS's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Johnnie Anderson, Regulations and Paperwork Management Division, U.S. Department of Agriculture, Rural Development, STOP 0743, Washington, DC 20250. All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
