

National Forest, Zigzag and Estacada Ranger District, Clackama County, OR.

*Summary:* Our abbreviated review has revealed no EPA concerns on this project.

#### Final EISs

ERP No. F-AFS-K61136-00 Heavenly Ski Resort Master Plan, Improvement, Expansion and Management, Lake Tahoe Basin Management Unit, Special-Use-Permit, Douglas County, NV and El Dorado and Alpine Counties, CA.

*Summary:* EPA continued to express environmental objections to this expansion based on air quality, noise, traffic, fish and wildlife, and visual/scenic features as a result of past construction and current operation of Heavenly Ski Resort. If the proposed level of development is approved, we strongly recommended that the Record of Decision (ROD) clearly commit to: a subsequent environmental review and cumulative watershed effects analysis, and if the analysis shows continued or potentially significant adverse environmental impacts, then continued development will be limited or prohibited.

ERP No. F-BLM-K65158-CA, Clear Creek Management Area, Land and Resource Management Plan Amendment, Implementation, San Benito and Fresno Counties, CA.

*Summary:* EPA registered a Formal protest through BLM's appeal process because EPA believes that implementing the preferred alternative would impose the potential for significant adverse impacts on area users, nearby residents, and BLM employees, and would continue to significantly and adversely impact environmental resources. Serious potential impacts include fugitive emissions of asbestos in excess of Occupational Safety and Health Administration action levels, severe soil erosion; and sedimentation of several streams in and downstream of the Clear Creek Management Area, which appears to violate State water quality objectives for the protection of several designated beneficial uses.

ERP No. F-COE-K32048-CA, Port of Long Beach (POLB) Main Channel Deepening and Navigation Improvements, Implementation, Queen's Gate, San Pedro Bay, Los Angeles County, CA.

*Summary:* Review of the Final EIS was not deemed necessary. No formal comment letter was sent to the preparing agency.

ERP No. F-NPS-K65171-CA, Cabrillo National Monument, General Management Plan/Development Concept Plans, Implementation, San Diego County, CA.

*Summary:* EPA's environmental concerns have been addressed, therefore we have no objections to the project as proposed.

ERP No. F1-NAS-A12038-00, International Space Station, Assembly and Operation, Space Station Freedom (SSF).

*Summary:* EPA had identified no potentially significant impacts and continues to lack objections to the proposed project.

**SUPPLEMENTARY INFORMATION:** EPA issued a notice, published in the Federal Register of May 1, 1996 (61 FR 19281), announcing the voluntary cancellation of Ciba-Crop Protection Registrations of Metalaxyl Technical and End-Use Products that contain Metalaxyl. Upon the Agency's further review of this notice and requests from other persons seeking extension to the 30-day comment period provided in the May 1, 1996 notice, the Agency has determined that it will re-open the comment period to allow additional time for further evaluation before acting on Ciba's request for voluntary cancellation. The comment period will end on July 26, 1996.

Accordingly, the voluntary cancellation of Ciba Crop Protection's products became effective on May 31, 1996. The Agency is hereby reinstating the registration of these products to correct an error in the notice which referenced provisions under the Federal Food, Drug and Cosmetic Act (FFDCA) regarding hearing requests and procedures, and re-opening the comment period on the voluntary cancellation request.

This request for voluntary cancellation was submitted pursuant to section 6 (f) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), which provides interested persons with the right to comment on voluntary cancellation requests, but does not include hearing rights. It was not the Agency's intention to provide an opportunity for hearing in connection with this action.

The Agency regrets any confusion the inclusion of this language may have caused and is granting this extension request in part to avoid any prejudice to

parties that may have been misled by the provisions of the May 1 notice. The Agency is also re-opening the comment period for the purpose of seeking clarification from Ciba regarding the nature of the proposed voluntary cancellation action. After the close of the comment period, the Agency will take action on Ciba's request and publish its determination in the Federal Register.
