UPRR has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) overhead traffic will be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91

¹ The ICC Termination Act of 1995, Pub. L. 104-88, 109 Stat. 803 (the Act) which was enacted on December 29, 1995, and took effect on January 1, 1996, abolished the Interstate Commerce Commission (ICC) and transferred certain functions to the Surface Transportation Board (Board). Section 204(b)(1) of the Act provides, in general, that proceedings pending before the ICC on the effective date of that legislation shall be decided under the law in effect prior to January 1, 1996, insofar as they involve functions retained by the Act. This notice relates to a proceeding that was pending with the ICC prior to January 1, 1996, and to functions that are subject to the Board's jurisdiction pursuant to 49 U.S.C. 10903. Therefore, this notice applies the law in effect prior to the Act, except that petitions to revoke would be filed under the new law at 49 U.S.C. 10502(d).

² This exemption is related to Finance Docket No. 32760, *Union Pacific Corporation, Union Pacific Railroad Company, and Missouri Pacific Railroad Company—Control and Merger—Southern Pacific Rail Corporation, Southern Pacific Transportation Company, St. Louis Southwestern Railway Company, SPCSL Corp., and The Denver and Rio Grande Western Railroad Company*.

(1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed. The notice is subject to environmental and historic preservation conditions as set forth in Appendix G in Decision No. 44, served on August 12, 1996, in Finance Docket No. 32760. Also in Decision No. 44, the Board has imposed a 180-day public use condition.⁴ Trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on September 11, 1996, unless stayed pending reconsideration. Petitions to stay, formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),⁵ and trail use/rail banking requests under 49 CFR 1152.29⁶ must be filed by August 22, 1996. Petitions to reopen must be filed by September 3, 1996, with: Office of the Secretary, Case Control Branch, Surface Transportation Board, 1201 Constitution Avenue, N.W., Washington, DC 20423.

A copy of any petition filed with the Board should be sent to applicant's representative: Robert T. Opal, General Attorney, 1416 Dodge Street, Room 830, Omaha, NE 68179.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

Decided: August 6, 1996.
