## **DEPARTMENT OF COMMERCE**

### **Foreign-Trade Zones Board**

**[Docket A(32b1)-2-96]**

#### **Foreign-Trade Zone 9—Honolulu, Hawaii; Request for Manufacturing Authority, NIC Americas Inc. (Medical Devices)**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Department of Business, Economic Development & Tourism of the State of Hawaii, grantee of FTZ 9, pursuant to § 400.32(b)(1) of the Board's regulations (15 CFR Part 400), requesting authority on behalf of NIC Americas Inc. (NIC) (wholly-owned subsidiary of Needle Incinerator Company Ltd. (UK)) to manufacture for export a certain medical device under

zone procedures within FTZ 9. It was formally filed on January 25, 1996.

NIC is planning to establish manufacturing and distribution facilities within FTZ 9 at sites in Hilo and Honolulu (Pier 2), Hawaii. The facilities (100-150 employees) would be used to produce a device that incinerates used hypodermic needles and seals them in a disposable cartridge (HTSUS 8419.89.9085). At the outset, the majority of the materials would be sourced from abroad, including: printed circuit board assemblies, electromagnets/solenoids, transformers, fuses, switches, piezo electric crystals, plastic parts, diaphragm and fasteners (duty rates: zero to 6.6%).

Zone procedures would exempt NIC from Customs duty payments on the foreign materials used in export manufacture. The application indicates that zone procedures for this activity would contribute to the company's export competitiveness.

Public comments on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period of their receipt is April 6, 1996. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 22, 1996.

A copy of the application and the accompanying exhibits will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, Room 3716, U.S. Department of Commerce, 14th and Pennsylvania Avenue NW., Washington, DC 20230.

Dated: January 25, 1996.
