**Agency Information Collection
Activities: Proposed Collection;
Comment Request**

AGENCY: National Cemetery System, Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: As part of its continuing effort to reduce paperwork and respondent burden, the National Cemetery System (NCS) invites the general public and other Federal agencies to comment on this information collection. This request for comment is being made pursuant to the Paperwork Reduction Act of 1995 (Public Law 104-13; 44 U.S.C. 3506(c)(2)(A)). Comments should address the accuracy of the burden estimates and ways to minimize the burden including the use of automated collection techniques or the use of other forms of information technology, as well as other relevant aspects of the information collection.

DATES: Written comments and recommendations on the proposal for the collection of information should be received on or before November 5, 1996.

ADDRESSES: Direct all written comments to Frances Willis, National Cemetery System (402D), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420. All comments will become a matter of public record and will be summarized in the NCS

request for Office of Management and Budget (OMB) approval. In this document the NCS is soliciting comments concerning the following information collection:

OMB Control Number: None assigned.

Title: PMC (Presidential Memorial Certificate) Insert.

Type of Review: New collection.

Need and Uses: The PMC Insert will be used by the recipient to notify the NCS if the original certificate contains an error, or arrives in an unacceptable condition, or to request additional certificates for other family members. The information will be used by the NCS to promptly reissue or provide additional certificates.

Current Actions: The PMC Program was initiated in March 1962 by President John F. Kennedy to honor the memory of honorably discharged deceased veterans. The program has been continued by all subsequent Presidents. A PMC is mailed to relatives and friends to honor the deceased veteran's military service to the Nation. In most cases involving recent deaths, the local VA regional office originates the process without a request from the next-of-kin. With the automation of the program, the insert will accompany the issuance of the original certificate. The insert will provide a convenient method for the recipients of the original PMC to request additional certificates and/or replacement or corrected certificates.

Affected Public: Individuals or households.

Estimated Annual Burden: 1,080 hours.

Estimated Average Burden Per Respondent: 2 minutes.

Frequency of Response: On occasion.
