

Accordingly, the DOE determined that Central should be denied exception relief.

*Sound Oil Company, 7/5/95, LEE-0152*

Sound Oil Company (Sound) filed an Application for Exception from the provisions of the Energy Information Administration (EIA) reporting requirements in which the firm sought relief from filing Form EIA-782B, entitled "Resellers'/Retailers' Monthly

Petroleum Product Sales Report." Sound asked to be excused from the reporting requirement on the grounds that it has been filing the Form for an unusually long period of time. However, the length of time the firm has been required to file an EIA form does not alone constitute a gross inequity which would warrant exception relief. Accordingly, the DOE determined that Sound should be denied exception relief.
