

holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. Once the application has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act, including whether the acquisition of the nonbanking company can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. 1843). Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than October 21, 1996.

**GENERAL SERVICES  
ADMINISTRATION****Office of Policy and Evaluation; Notice  
of Reporting Requirement Under  
Executive Order 12999—Educational  
Technology: Ensuring Opportunity for  
All Children in the Next Century****Summary**

Executive Order 12999 was signed by President Clinton on April 17, 1996. The order streamlines the transfer of excess educationally useful equipment, including Federal computer equipment, to schools and nonprofit organizations pursuant to section 11(i) of the Stevenson Wydler Technology Innovation Act, as amended (15 U.S.C. 3710(i)). The Stevenson-Wydler Act

authorizes the heads of Federal agencies and laboratories to transfer excess research equipment directly to educational institutions or nonprofit organizations for technical and scientific education and research.

The order mandates that agencies give the highest preference permitted by law to elementary and secondary schools. It further directs agencies to report to GSA, any excess research equipment that is transferred directly to schools.

In addition to the reporting requirement in EO 12999, section 202(e) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 483(e)), requires executive agencies to submit to GSA an annual report of personal property furnished to non-Federal recipients
