Decision List No. 981

**Appeals****Glen Milner, 7/16/96, VFA-0179**

Glen Milner filed an Appeal from a determination issued to him by the Freedom of Information Act/Privacy Division (FOI/PA) in response to a request for information Mr. Milner submitted under the Freedom of Information Act (FOIA). In that

determination, FOI/PA stated that it could not find the information Mr. Milner requested, regarding "the decision in 1992 to send specially fitted railcars to Russia to transport nuclear weapons and the present use and condition of these railcars." This was a copy of a request sent to the Albuquerque Operations Office which was still processing the request. FOI/PA stated that no documents were found responsive to Mr. Milner's request, especially since no decision had been made in 1992 to send railcars to Russia. Furthermore, any information about the railcars is located in Albuquerque. Mr. Milner indicated in his Appeal that his was a broader request than that stated in FOI/PA's determination. The DOE found that the interpretation accorded his letter was reasonable. Accordingly, Mr. Milner's Appeal was denied.

**Personnel Security Hearings****Oakland Operations Office, 7/16/96, VSA-0078**

The Director of the Office of Hearings and Appeals issued an Opinion regarding the request for review by an individual of a Hearing Officer's adverse decision regarding his eligibility for access authorization under the provisions of 10 C.F.R. Part 710. The DOE had claimed the individual had forged a 161-K credential, a document permitting the carrying of a weapon on DOE property. After considering the individual's arguments and the record, the Director found that: the Hearing Officer had not imposed too high a burden of proof on the individual, the Hearing Officer's finding regarding the individual's evasiveness should be upheld, and despite the fact that the Hearing Officer failed to consider some portions of the evidence supporting the

individual's case, the Hearing Officer had made a comprehensive, common sense judgment. Accordingly, the Director recommended that the individual's access authorization should not be reinstated.

**Oakland Operations Office, 7/17/96, VSO-0088**

Under the provisions set forth in 10 CFR Part 710, the Department of Energy, Oakland Operations Office (DOE/OK) suspended an individual's access authorization pending administrative review, based upon derogatory information received by the DOE/OK which indicated illegal use of marijuana by the individual. Following a hearing convened at the request of the individual, the Office of Hearings and Appeals Hearing Officer found in his Opinion that: (i) The individual's marijuana use was not substantial and was in remission, (ii) the individual successfully completed a viable drug treatment program, and (iii) the individual documented a sufficient period of abstinence and provided other evidence to support a showing of rehabilitation. Accordingly, the Hearing Officer concluded in the Opinion that the individual's access authorization should be restored.

**Oakland Operations Office, 7/17/96, VSO-0089**

Under the provisions set forth in 10 CFR Part 710, the Department of Energy, Oakland Operations Office (DOE/OK) suspended an individual's access authorization pending administrative review, based upon derogatory information received by the DOE/OK which revealed illegal use of methamphetamine, cocaine and marijuana. On this basis, DOE/OK also invoked 10 CFR § 710.8(1), finding that by use of the drugs the individual had

violated a drug certification and that this constituted unusual conduct tending to show he was not reliable or trustworthy. Following a hearing convened at the request of the individual, the Office of Hearings and Appeals Hearing Officer found in his Opinion that the individual had become severely addicted to methamphetamine and, despite the individual's candor and commendable recovery efforts since admitting his drug use, he was far from being rehabilitated. The Hearing Officer further disapproved the individual's assertion that he had not made a knowing decision when he signed the Drug Certification. Accordingly, the Hearing Officer concluded in the

Opinion that individual's access authorization should not be restored.

#### Refund Application

*Gulf Oil Corp./Central Truck Lines, Inc.,*  
7/17/96, RF300-20692

The DOE issued a Decision and Order, denying a refund application filed on behalf of Central Truck Lines, Inc. (Central Truck) in the Gulf Oil Corporation refund proceeding. The applicant, Allan Day Musgrove, claimed the right to a refund as the owner of a dissolved corporation which owned the parent of Central Truck. In the Decision and Order, the DOE determined that the circumstances surrounding the acquisition and subsequent dissolution

of the corporations involved indicated that Mr. Musgrove was not injured by the alleged Gulf overcharges experienced by Central Truck. Accordingly, the DOE determined that Mr. Musgrove was not entitled to a Gulf refund for those alleged overcharges.

#### Appeals

*Helen Ruth Sutton-Pank*, 3/11/96, VFA-0130

Helen Ruth Sutton-Pank (Sutton-Pank) filed an Appeal from a determination issued to her by the Albuquerque Operations Office (DOE/AL) of the Department of Energy (DOE). In her Appeal, Sutton-Pank asserted that DOE/AL improperly failed to provide her with medical records in the possession of Lockheed/Martin, the contractor operating Sandia National Laboratories, which she had requested pursuant to the FOIA. The DOE determined that the Lockheed/Martin
