DEPARTMENT OF JUSTICE

Antitrust Division

United States v. Ixtlera de Santa Catarina, S.A. de C.V. and MFC Corporation; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S. § 16(b)-(h), that a proposed Final Consent Judgment, Stipulation and Competitive Impact Statement have been filed with the United States District Court for the Eastern District of Pennsylvania in the above-captioned case.

On September 26, 1996, the United States filed a civil antitrust Complaint to prevent and restrain Ixtlera de Santa Catarina, S.A. de C.V. ("Ixtlera") and MFC Corporation from conspiring to fix prices and allocate the sales volume of tampico fiber imported and sold in the United States in violation of Section 1 of the Sherman Act (15 U.S.C. § 1). Tampico fiber is a vegetable fiber grown

in Mexico and used as a filler in industrial and consumer brushes.

The Complaint alleges that the defendants agreed with unnamed co-conspirators to (1) fix the prices of tampico fiber imported into the United States; (2) fix the resale prices charged in the United States distributors; and (3) allocate tampico fiber sales among United States distributors.

The proposed Final Judgment would prohibit the defendants from entering into any agreement or understanding with any other processor or distributor of tampico fiber to:

- (1) Raise, fix, or maintain the price or other terms or conditions for the sale or supply of tampico fiber;
- (2) Allocate sales, territories or customers for tampico fiber;
- (3) Eliminate or discourage new entry into the tampico fiber market; and
- (4) Eliminate or otherwise restrict the supply of tampico fiber to any customer.

The proposed Final Judgment would also prohibit defendants from communicating with any other processor, supplier or distributor regarding future price information, information regarding sales volume, the location or identity of customers, eliminating or discouraging new entrants into the tampico fiber market, or eliminating or restricting the supply of tampico fiber to any customer. In addition, the proposed Final Judgment would prohibit the defendants from adhering to any resale pricing policy and defendant Ixtlera from suggesting resale prices and from terminating or threatening to terminate any distributor for that distributor's pricing. Finally, the proposed Final Judgment would also prohibit Ixtlera from merging with the Mexican tampico fiber processor Fibras Saltillo, S.A. de C.V. without providing the Antitrust Division with ninety (90) days notice to review the transaction.

Public comment is invited within the statutory sixty (60) day period. Such comments will be published in the Federal Register and filed with the Court. Comments should be addressed to Robert E. Connolly, Chief, Middle Atlantic Office, U.S. Department of Justice, Antitrust Division, The Curtis Center, 6th and Walnut Streets, Suite 650 West, Philadelphia, PA 19106 (telephone number 215–597–7405).
