Garnishments Processing Fee

AGENCY: Department of Defense, Defense
Finance and Accounting Service.

ACTION: Notice.

SUMMARY: The Department of Defense is giving notice that it will collect a fee for processing garnishments against Department of Defense civilian employees and involuntary allotment applications against active duty military

members to satisfy debts other than for alimony or child support. The fee is \$75.00, and will be collected from the monies payable to the creditor at the time the garnishment or involuntary allotment is first instituted.

EFFECTIVE DATE: November 1, 1996.

FOR FURTHER INFORMATION CONTACT: The Garnishment Operations Directorate, Defense Finance and Accounting Service, Cleveland Center, Cleveland, Ohio, (216) 522-5301.

SUPPLEMENTARY INFORMATION: 5 U.S.C. 5520a permits a garnishment or involuntary allotment against the pay of civilian employees and active duty military members to satisfy debts owed to private parties other than for alimony and child support. That law was recently amended by Public Law 104-106, February 10, 1996, to authorize the Department of Defense to assess the creditor a fee to recover its costs in processing garnishments and involuntary allotments. Based upon a cost study, the Department of Defense has decided to impose a fee of \$75.00 for processing of each garnishment or involuntary allotment. As required by the law, this fee will be charged to the creditor and deducted from the monies collected from the employee or member that are due the creditor.

The fee will be charged for each garnishment order or involuntary allotment served and processed to payment. Thus, each time the Department of Defense is served with, and honors, an order to garnish an employee's salary, or an application for an involuntary allotment for the above referenced debts, the Department of Defense will deduct the \$75.00 fee. Although administrative costs are incurred for each pay period for which a garnishment or involuntary allotment is in effect, no additional fee will be charged to cover those costs.

The fee will be deducted at the time the garnishment or involuntary allotment is first instituted. It will be subtracted from the judgment amount.

The fee does not apply to garnishment for child support or alimony under Title 42 of the United States Code, Section 659.

Dated: October 8, 1996.
