Agency Information Collection Activities: Submission for OMB Review; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency has submitted the following proposed information collection to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Title: Claims for National Flood Insurance Program.

Type of Information Collection: Extension.

OMB Number: 3067-0021.

Abstract: The National Flood Insurance Program (NFIP) authorized by Public Law 90-448 (1968) and expanded by P.L. 93-234 (1973) provides low-cost federally subsidized flood insurance for existing buildings exposed to flood risk. In return, communities must enact and administer construction safeguards to ensure that new construction in the flood plain will be built to eliminate or minimize future flood damage. In accordance with Public Law 93-234, the purchase of flood insurance is mandatory when Federal or federally-related financial assistance is being provided for acquisition or construction of buildings located, or to be located, within FEMA-identified special flood hazard areas of communities which are participating in the NFIP. The following forms, which are included in this collection of information, are necessary for the continued proper performance of the Agency's functions related to indemnifying policyholders for flood damages to their properties.

FEMA Form 81-40, Worksheet-Contents-Personal Property, is used by the insured to assess personal property damage. Estimated burden is 2.5 hours.

FEMA Form 81-41, Worksheet-Building, is used by the adjuster to determine the scope of damage to a building. Estimated burden is 2.5 hours.

FEMA Form 81-41A, Worksheet-Building (Cont'd), is a continuation of form 81-41. Estimated burden is 1 hour.

FEMA Form 81-42, Proof of Loss, is used to establish a settlement on the amount the insured will receive. Estimated burden is 5.6 minutes.

FEMA Form 81-43, Notice of Loss, is used to gather loss information. Estimated burden is 4 minutes.

FEMA Form 81-44, Statement as to Full Cost of Repair or Replacement Cost Coverage, Subject to the Terms and Conditions of This Policy, is used by the insured to determine if the structure can be repaired or qualify for replacement cost. Estimated burden is 6-7 minutes.

FEMA Form 81-57, National Flood Insurance Program Preliminary Report, is used to identify the insured and the address of risk. Estimated burden is 4 minutes.

FEMA Form 81-58, National Flood Insurance Program Final Report, is used to document and review overall damages to the property, and to provide a breakdown on claims information. Estimated burden is 4 minutes.

FEMA Form 81-59, National Flood Insurance Program Narrative Report, is used to write a narrative report on the loss. Estimated burden is 5-6 minutes.

FEMA Form 81-63, Cause of Loss and Subrogation Report, is used to identify a potential subrogation loss. Estimated burden is 1 hour.

A Mobile Home Worksheet is used to obtain data to specifically identify a flood damaged mobile home and to determine whether it will be repaired, replaced, or salvaged. The data includes the manufacturer, year, size, model, serial number of a mobile home, the individual from whom the mobile home was purchased, and its repair cost or salvage value. Estimated burden is 30 minutes.

Affected Public: Individuals or households, Business or other for-profit, Not-for-profit, Farms, Federal government, State, Local or Tribal Government.

Number of Respondents: 73,437.

Estimated Time per Respondent: 3.8 hours per claim.

Estimated Total Annual Burden Hours: 279,060.

Frequency of Response. Claims are filed and adjusted for each flooding event. The frequency and number of responses depend on weather and related flooding conditions.

COMMENTS: Interested persons are invited to submit written comments on the proposed information collection to Victoria Wassmer, Desk Officer for the Federal Emergency Management Agency, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 within 30 days of the date of this notice.
