## **DEPARTMENT OF TRANSPORTATION**

### **Federal Aviation Administration**

#### **Reports, Forms and Recordkeeping Requirements; Agency Information Collection Activity Under OMB Review**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended) this notice announces the Department of Transportation's (DOT) intention to request a revision of a currently approved collection. Comments are invited on: whether the proposed collections of information are necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collections; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on August 26, 1996 [FR 61, page 43807-43808].

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

**DATES:** Comments on this notice must be received on or before December 4, 1996.

**ADDRESSES:** Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725-17th Street, NW, Washington, DC 20503, Attention DOT Desk Officer.

**FOR FURTHER INFORMATION CONTACT:** Ms. Judith Street, on (202) 267-9895.

**SUPPLEMENTARY INFORMATION:** The information collection activities associated with the Representatives of the Administrator, CFR part 183, including Aviation Medical Examiners, are currently cleared under OMB number 2120-0033. For administrative ease, the FAA proposes to separate the Aviation Medical Examiner clearance from the rest of the Representatives of the Administrator. There is no change in the CFR requirements. It is proposed that the Aviation Medical Examiner program be given a separate OMB clearance number. At this time of

request for clearance, the Aviation Medical Examiner Designation Application form, FAA form 8520-2 is being updated to include a few additional boxes to check off. The additional information does not constitute a significant increase in time to complete the form since it would only involve one data element and check marks in the appropriate boxes.

The additional data elements are as follows: A box to check off whether the doctor is male or female. (This will be done to provide that information to airmen and women who request a doctor of a specific gender.) A space for social security number. (This is a voluntary request.) An addition of more specialties in the medical specialty category from which the applicant can choose. In the General Information portion of the application, the addition of two questions to check off a yes or no.

*Title:* Aviation Medical Examiner Program.

*OMB Control Number:* 2120—new.

*Type of Request:* Revision of a currently approved information collection.

*Affected Entities:* An estimated 450 individuals applying to become aviation medical examiners.

*Abstract:* This information is collected for the purpose of obtaining essential information concerning the applicants' professional and personal qualifications. The FAA uses the information provided to screen and select the designees who serve as aviation medical examiners. The information is also used to make a list of designated aviation medical examiners readily available to the public.

*Need:* 14 CFR 183 implements the provisions of Title 49 U.S.C., section 44702.

*Estimated Burden:* The estimated burden is 225 hours annually.

Issued in Washington, DC., on October 29, 1996.

Phillip A. Leach,

Information Clearance Officer, U.S.  
Department of Transportation.
