Federal Energy Regulatory Commission

[Docket No. RP96-283-001]

Columbia Gulf Transmission Company; Notice of Motion To Withdraw Tariff Sheets, Accept Revised Tariff Sheets and Establish Comment Period of Columbia Gulf Transmission Company

October 30, 1996.

Take notice that on October 15, 1996, Columbia Gulf Transmission Company (Columbia Gulf) filed a motion to withdraw certain tariff sheets, listed on Appendix A to the filing, filed as part of a limited Section 4(e) rate proceeding in Docket No. RP96-283-000 on June 21, 1996, as modified by Columbia Gulf's answer filed on July 17, 1996, to file revised tariff sheets, listed on Appendix B to the filing, and establish a comment period.

Columbia Gulf seeks permission to withdraw certain tariff sheets which reference the Pool Balancing Service and the Title Tracking Service, as well as the related tariff provision in proposed Section 7.6 of the General Terms and Conditions, and requests that the Commission accept certain revised tariff sheets. Columbia Gulf proposes to proceed with the remaining tariff revisions set forth in the June 21, 1996 filing, but agrees to move these remaining tariff revisions into effect consistent with the expiration of the suspension period for the general Section 4(e) rate case, which Columbia Gulf anticipates will be May 1, 1997.

Columbia Gulf further requests that the comment period agreed to at the September 10, 1996 technical conference in this proceeding be extended so that initial comments are due January 15, 1997 and reply comments are due January 30, 1997.

Any person desiring to protest this motion should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public
