AGENCY FOR INTERNATIONAL DEVELOPMENT

Loan Guarantees to Israel; Notice of Investment Opportunity

The Government of Israel (the "GOI") wishes to select managing underwriters for the structuring and sale of U.S.

Agency for International Development ("USAID")-guaranteed loans. The USAID-guaranteed loans have been authorized by Public Law 102-391, and are being provided in connection with Israel's extraordinary humanitarian effort to resettle and absorb immigrants into Israel from the republics of the former Soviet Union, Ethiopia and other countries.

The legislation authorizes the guaranty by USAID of up to \$10 billion principal amount of loans over a five-year period, with a maximum of \$2 billion in loans, offered in one or more tranches, to be guaranteed in each of the five fiscal years. This Notice is in connection with the GOI's selection of managing underwriters for an offering contemplated to be made under the authorization for the current fiscal year.

In order to be considered as a managing underwriter for the proposed transaction, interested parties must demonstrate the requisite financial and technical capabilities by their responses to a Request for Proposals ("RFP"), which will be available from the GOI prior to the offering. Interested parties who wish to receive an RFP, when available, should contact Mr. Eliahu Ziv-Zitouk, Consul and Chief Fiscal Officer, Ministry of Finance of the Government of Israel, 800 Second Avenue, New York, New York 10017 (fax: 212/499-5715).

Selection of underwriters and the terms of the loans are initially subject to the individual discretion of the GOI and thereafter subject to approval by USAID. In order to be eligible for selection as a managing underwriter, an institution must be a member of the National Association of Securities Dealers, and otherwise meet the legal requirements for serving in such role. All firms are encouraged to submit proposals, regardless of ethnic origins, race or gender.

The full repayment of the loans will be guaranteed by USAID. To be eligible for a USAID guaranty, the loans must be repayable in full no later than the thirtieth anniversary of the disbursement of the principal amount thereof. The USAID guaranty will be backed by the full faith and credit of the United States of America and will be issued pursuant to authority in Section 226 of the Foreign Assistance Act of 1961, as amended. Disbursements under the loans will be subject to certain conditions required of the GOI by USAID as set forth in agreements between USAID and the GOI.

Additional information regarding USAID's responsibilities in this guaranty program can be obtained from the undersigned: Room 3417A N.S.,

2201 C Street, N.W., Washington, D.C. 20523-0030, Telephone: 202/647-9839.

Dated: December 13, 1996.

Notice of Lodging of Consent Judgment Under the Clean Water Act

In accordance both with a Court order dated November 19, 1996, and Department Policy, 28 C.F.R. § 50.7, notice is hereby given that a proposed Consent Decree in *United States v. The Telluride Company*, Civil No. 93-K-2181 (D. Colo.), was lodged with the United States District Court for the District of Colorado on October 15, 1996.

The November 19, 1996, Court order required, among other things, that the proposed Consent Decree be published in the Federal Register in each of three consecutive weeks. This is the third and final publication of the proposed Consent Decree.

The proposed Consent Decree concerns alleged violations of section 301(a) of the Clean Water Act, 33 U.S.C. § 1311(a), resulting from the defendants' unauthorized filling of over 46 acres of alpine wetlands as part of their mountain resort development near Telluride, San Miguel County, Colorado. As part of the proposed Consent Decree, defendants will be required to pay a penalty of \$1.1 million dollars and to implement a 16-acre restoration project to the satisfaction of the U.S. Environmental Protection Agency. Defendants have also agreed to abide by a site-wide management plan for the continued protection and preservation of the remaining wetlands that they own. The proposed Consent Decree preserves the United States' right to appeal in earlier ruling of the Court. If the appeal is successful, defendants will be obligated to perform an additional 15-acres of wetland restoration along the San Miguel River and pay an additional penalty of \$50,000.

The Clerk of the United States District Court will receive written comments relating to the proposed Consent Decree until January 23, 1997. Comments should be addressed to James R. Manspeaker, Clerk of the District Court, United States Courthouse, 1929 Stout Street, Denver, CO 80294. Please send a copy of any comments to Robert H. Foster, U.S. Department of Justice,
