BILLING CODE 4190-29-P

DEPARTMENT OF STATE

[Public Notice 2342]

Agency Information Collection Activities; Form JF-45 Overseas Schools—Approval of Funding to Support Special Educational Programs Plan for Activities During the School Year: Proposed Collection; Comment Request (for the Advance 60-Day Notice): Office of Overseas Schools

The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for sixty days from the date of publication in the Federal Register. Request written and suggestions from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

If a copy of the proposed collection instrument with instructions is not published in this notice please contact the agency representative listed below if you wish to receive a copy.

Overview of this information collection:

Action: The Department of State has submitted the following public information collection requirements to OMB for review and clearance under the

Paperwork Reduction Act of 1980, 44 U.S.C. Chapter 35.

Summary: The Office of Overseas Schools of the Department of State (A/OS) is responsible: (a) For supporting our overseas missions by determining that adequate educational opportunities exist for dependents of U.S. government personnel stationed abroad and when necessary providing financial and technical assistance to improve elementary and secondary education at post for USG dependents; and (b) for assisting American-sponsored overseas schools demonstrate U.S. educational philosophy and practice. The following summarizes the information collection proposal submitted to OMB:

Type of request—Reinstatement.

Originating office—Office of Overseas Schools.

Title of information collection—U.S. State Department Overseas School—Approval of Funding To Support Special Educational Programs Plan For Activities During the School Year.

Frequency—Annually.

Form Number—JF-45.

Respondents—The 190 Overseas American sponsored schools.

Estimated number of respondents—190.

Average hours per response—0.25.

Total estimated burden hours—47.50.

44 U.S.C. 3504(h) does not apply.

Additional Information or Comments: Copies of the proposed forms and supporting documents may be obtained from Charles S. Cunningham (202) 647-0596. Comments and questions should be directed to (OMB) Jefferson Hill (202) 395-3176.

Dated: February 12, 1996.

Patrick F. Kennedy,

Assistant Secretary for Administration.

BILLING CODE 4710-24-M

[Public Notice 2339]

Bureau of Political-Military Affairs, Office of Nuclear Energy Affairs; Interagency Procedures for the Implementation of the U.S.-IAEA Safeguards Agreement

This notice sets forth U.S. agency procedures for implementation of the Agreement Between the United States of America and the International Atomic Energy Agency for the Application of Safeguards in the United States of America, with Protocol (IAEA INFCIRC/288), hereinafter referred to as the Agreement.

For additional information, contact Alex Burkart (phone: 202-647-4413). Office of Nuclear Energy Affairs, Bureau of Political-Military Affairs (PM/NE), Department of State, Washington, DC 20520.

A. Coordination

(1) IAEA Steering Committee.

(a) The interagency mechanism for coordinating policy and resolving disputes relating to the implementation of the Agreement shall be the IAEA Steering Committee (ISC), which is concerned generally with IAEA policy matters. The ISC is composed of representatives from the Department of State (State), the Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), the Arms Control and Disarmament Agency (ACDA), the Department of Defense (DOD), the Office of Management and Budget (OMB), and the staff of the National Security Council (NSC) and the intelligence community (IC). The ISC is chaired by the U.S. Representative to the IAEA or such other official as may be designated by the Secretary of State. Representatives of the agencies which are ISC members are designated by the respective heads of such agencies. The ISC shall meet at such intervals set by the ISC and at any time at the request of any ISC member.

(b) In the event any question of interpretation of the Agreement affecting NRC arises which is not resolved by the ISC, the NRC shall seek and be bound by guidance from the

President. Neither this provision, nor any other provision in these procedures, shall in any way alter the responsibilities of the NRC or in any way limit the existing authorities and responsibilities of the NRC.

(2) Subgroup on IAEA Safeguards in the U.S.

(a) The ISC shall establish a subcommittee known as the Subcommittee on International Safeguards and Monitoring (SISM). This subcommittee will, in turn, establish the Subgroup on IAEA Safeguards in the U.S. (SISUS). SISUS shall be composed of representatives from State, ACDA, the NRC and DOE. The NRC will appoint the Chair of the SISUS. Each agency shall designate its respective representatives to serve on the SISUS.

(b) The SISUS shall monitor implementation of the Agreement, carry out responsibilities specifically prescribed in these procedures, and undertake such other working level activities as may be designated by the SISM or the ISC.

(3) Negotiating Team.

(a) The Negotiating Team shall be composed of the members of the Subgroup or their designates. Designates must be full-time Government employees of the Agency of the member. For negotiations with regard to NRC licensed or certified facilities, the NRC member will be the head of the Negotiating Team. For negotiations with regard to DOE facilities not licensed and subject to DOE orders, the DOE member will be the head of the Negotiating Team.

(b) The Negotiating Team shall negotiate with the IAEA the Subsidiary Arrangements and the Transitional Subsidiary Arrangements (collectively referred to as the Arrangements), and undertake such other responsibilities as may be designated by the SISM or the ISC.

(c) Counsel and other agency officials may participate in Negotiating Team activities at the request of their respective agency representative.

B. Communications

As provided in the Arrangements, normally, official communications on matters relating to implementation of the Agreement from the IAEA are to be addressed to State through the Mission of the United States of America to the IAEA (Mission), and from State are to be addressed to the IAEA through the Mission. An officer in PM/NE and an officer in the Mission shall be assigned responsibility for communications to and from the IAEA in connection with implementation of the Agreement. In the event of the occurrence of

unexpected circumstances, communications may be undertaken, as appropriate, other than as set forth in this Section of the procedures.

C. Regulation of NRC Licensed or Certified Facilities and Management of DOE License-Exempt Facilities

(1) For implementation of the Agreement.

(a) The NRC shall be responsible for maintaining necessary regulations applicable to NRC licensed or certified facilities; and

(b) DOE shall be responsible for maintaining appropriate mechanisms applicable to DOE license-exempt facilities.

(2) Requirements contained in the Arrangements shall be implemented as follows:

(a) With respect to an NRC licensed or certified facility, through the promulgation of regulations, the incorporation of appropriate amendments to licenses and the issuance of such orders as may be necessary to assure compliance; and

(b) With respect to a DOE license-exempt facility, through the promulgation of appropriate mechanisms.

D. Facility Attachments and Transitional Facility Attachments

The responsible agency (RA) is the NRC for NRC licensed or certified facilities and the DOE for DOE license-exempt facilities.

(1) Preparation. The RA shall participate with the IAEA in preparation of the material for the draft facility attachment and transitional facility attachment (collectively referred to as the draft attachment) for each facility selected by IAEA, under Article 39 of the Agreement or Article 2 of the Protocol. The RA shall consult with the facility operator and, as appropriate, arrange for such operator to participate in the preparation of the material for the draft attachment for such facility. The RA shall provide the Negotiating Team an opportunity to take part in preparation with the IAEA of the draft facility attachment for use in negotiation.

(2) Negotiation. The draft attachment shall be approved by the Negotiating Team for negotiation. Each facility attachment or transitional facility attachment (collectively referred to as the attachment) shall be negotiated with the IAEA by the Negotiating Team under the guidance of the SISM. In the course of these negotiations, the operator of the facility will be consulted and views and interests of each such operator will be considered. The facility
