SUPPLEMENTARY INFORMATION: The Advisory Committee on Student Financial Assistance is established under Section 491 of the Higher Education Act of 1965 as amended by Public Law 100-50 (20 U.S.C. 1098). The Advisory Committee is established to provide advice and counsel to the Congress and the Secretary of Education on student financial aid matters, including providing technical expertise with regard to systems of need analysis and application forms, making recommendations that will result in the maintenance of access to postsecondary education for low- and middle-income students, conducting a study of institutional lending in the Stafford Student Loan Program, and assisting with activities related to reauthorization of the Higher Education Act of 1965. As a result of the passage of the Higher

Education Amendments of 1992, the Congress directed the Advisory Committee to assist with a series of special assessments and conduct an in-depth study of student loan simplification. The Advisory Committee fulfills its charge by conducting objective, nonpartisan, and independent analyses of important student aid issues. As a result of passage of the Omnibus Budget Reconciliation Act (OBRA) of 1993, Congress assigned the Advisory Committee the major task of evaluating the Ford Federal Direct Loan Program (FDLP) and the Federal Family Education Loan Program (FFELP). The Committee will report to the Secretary and Congress on not less than an annual basis on the operation of both programs and submit a final report by January 1, 1997.

The proposed agenda includes (a) a discussion session on reauthorization; (b) an update on the delivery system; (c) an update on the progress of the loan programs; (d) an Advisory Committee regulatory update; and (e) a planning session on the Committee's agenda for the remainder of fiscal year 1996 and other Committee business (e.g., election of officers, budget report, etc.). The ensuing discussions will relate to internal personnel rules and practices of an agency and will disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552(b)(c) of Title 5 U.S.C.

A summary of the activities at the closed session and related matters which are informative to the public consistent with the policy of Title 5 U.S.C. 552(b) will be available to the
