#### **Removal of Obsolete Regulations for Reasonably Expected Costs and Joint Rates Subject to Surcharge or Cancellation**

**AGENCY:** Surface Transportation Board.

**ACTION:** Final rule.

**SUMMARY:** The Surface Transportation Board (the Board) is removing obsolete reasonably expected costs and joint rate surcharge and cancellation regulations from the Code of Federal Regulations.

**EFFECTIVE DATE:** January 1, 1996.

**FOR FURTHER INFORMATION CONTACT:** Beryl Gordon (202) 927-5610. [TDD for the hearing impaired: (202) 927-5721.]

**SUPPLEMENTARY INFORMATION:** Effective January 1, 1996, the ICC Termination Act of 1995, Pub. L. No. 104-88, 109 Stat. 803 (the Act), abolished the Interstate Commerce Commission (the Commission) and established within the Department of Transportation the Surface Transportation Board. Section 204 of the Act provides that “[t]he Board shall promptly rescind all regulations established by the [Commission] that are based on provisions of law repealed and not substantively reenacted by this Act.” 49 U.S.C. 10705a, the statutory basis for the part 1138 regulations on requesting variable cost and revenue determinations from carriers canceling a joint rate<sup>1</sup> and the part 1140 regulations

for reasonably expected costs,<sup>2</sup> has been repealed. This section allowed carriers to apply a surcharge increasing or reducing a joint rate [§ 10705a(a)],<sup>3</sup> to apply a surcharge on their light density lines [§ 10705a(b)], or to cancel a joint rate [§ 10705a(c)], without the concurrence of other participating carriers.<sup>4</sup> We are therefore removing the now obsolete parts 1138 and 1140 regulations, as well as another obsolete regulation pertaining to § 10705a found at 49 CFR 1039.18. These changes are not necessarily the final revisions in the regulations resulting from the elimination of 49 U.S.C. 10705a.<sup>5</sup> Parties may submit suggested additional changes to the Code of Federal Regulations in light of the elimination of § 10705a.

Because this action merely reflects, and is required by, the enactment of the Act and will not have an adverse effect on the interests of any person, this action will be deemed to be effective as of January 1, 1996.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

<sup>2</sup> Regulations were originally promulgated in *Reasonably Expected Costs*, 365 I.C.C. 819 (1981), in the proceeding docketed as Ex Parte No. 402. Subsequent revisions to the reasonably expected cost regulations were made in the Ex Parte No. 402 decisions at 1 I.C.C.2d 252 (1984), 1 I.C.C.2d 293 (1984), and 5 I.C.C.2d 819 (1988).

<sup>3</sup> Carriers could also apply negative surcharges under 49 U.S.C. 10705a(a). In *Negative Surcharges Tariff-Exemption*, Docket No. 39777 (ICC served Aug. 16, 1985), we granted an exemption to allow carriers to file rate allowances (“negative surcharges”) without obtaining concurrences from other carriers participating in the joint rate. The exemption was codified at 49 CFR 1039.18. The authority to apply the negative surcharge expired on September 30, 1984. We are also removing section 1039.18 in this notice.

<sup>4</sup> There was also another provision concerning joint rate cancellations—former section 10705(e) of title 49. We will consider this section in another proceeding.

<sup>5</sup> At this time, we are not removing related matters found in regulations concerning user fees (§ 1002) and tariffs (§ 1312) because we plan to separately address those parts shortly.

#### Removal of Obsolete Rail Tariff Regulations

AGENCY: Surface Transportation Board.

ACTION: Final rule.

**SUMMARY:** The Surface Transportation Board (the Board) is removing obsolete rail tariff regulations from the Code of Federal Regulations.

**EFFECTIVE DATE:** January 1, 1996.

**FOR FURTHER INFORMATION CONTACT:** Beryl Gordon (202) 927-5610. [TDD for the hearing impaired: (202) 927-5721.]

**SUPPLEMENTARY INFORMATION:** Effective January 1, 1996, the ICC Termination Act of 1995, Pub. L. No. 104-88, 109 Stat. 803 (the Act), abolished the Interstate Commerce Commission (the Commission) and established within the Department of Transportation the Surface Transportation Board. Section 204 of the Act provides that "[t]he Board shall promptly rescind all regulations established by the [Commission] that are based on provisions of law repealed and not substantively reenacted by this Act." 49 U.S.C. 10761 and 10762, the statutory bases for the part 1314 rail tariff regulations,<sup>1</sup> have been repealed. Carriers no longer have to file or maintain tariffs. We are therefore removing the now obsolete part 1314 regulations.<sup>2</sup> Tariff regulations at part 1312, which cover other modes of transportation for which tariff filing requirements were not completely eliminated, will be separately addressed and revised.<sup>3</sup>

Because this action merely reflects, and is required by, the enactment of the

<sup>1</sup> These regulations were promulgated in *Electronic Filing of Tariffs*, 5 I.C.C.2d 279 (1989), rules stayed, 5 I.C.C.2d 1052 (1989), stay lifted as to rail carrier tariffs, 6 I.C.C.2d 153 (1989). We subsequently amended our regulations to reflect the status quo for publishing electronic and printed tariffs, and we terminated the proceeding. *Electronic Filing of Tariffs 49 CFR Parts 1312 and 1314*, Ex Parte No. 444 (ICC served Mar. 10, 1995).

<sup>2</sup> While the Act removes the requirement that a tariff be filed or maintained, rail carriers must establish and maintain rates and service terms for transportation that are provided under common carriage. Moreover, under 49 U.S.C. 11101(b), rail carriers must disclose those rates to any person upon request. For agricultural products, the rail carrier shall also "publish, make available, and retain for public inspection its common carrier rates, schedules of rates, and other service terms. \* \* \*" 49 U.S.C. 11101(d). The Board will separately issue new regulations implementing these requirements. Under 49 U.S.C. 11101(e), a rail carrier is required to provide transportation and service according to the rates and service terms it has published or otherwise made available.

<sup>3</sup> Parties may inform the Board whether other regulations are affected by the elimination of § 10761 and § 10762.
