Panhandle Eastern Pipe Line Company; Notice of Proposed Changes in FERC Gas Tariff

March 5, 1996.

Take notice that on March 1, 1996, Panhandle Eastern Pipe Line Company (Panhandle) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing, to become effective April 1, 1996.

Panhandle states that this filing removes from Panhandle's currently effective rates the Additional Take-or-Pay Volumetric Surcharge established by Section 18.10 of the General Terms and Conditions of Panhandle's tariff which was the subject of Panhandle's filing in Docket No. RP94-153-000. The current volumetric surcharge and the provisions of Section 18.10 were established in a Stipulation and Agreement (Settlement) dated July 19, 1994 which the Commission approved in orders dated September 22, 1994, 68 FERC ¶ 61,353 (1994), and December 22, 1994, 69 FERC ¶ 61,383 (1994). Section 18.10(b)(4) provides for an initial Recovery Period which commenced on April 1, 1994 and will terminate on March 31, 1996. Accordingly, Panhandle is now proposing to remove 0.19¢ from the current 1.19¢ TOP Volumetric Surcharge, thus reducing the surcharge to 1.00¢.

Panhandle further states that Section 18.10 (g) of the General Terms and Conditions provides for a Reconciliation Recovery Period if it is determined that Panhandle has not fully recovered the Additional Take-or-Pay Settlement Costs at the conclusion of the initial 24-month recovery period. A Volumetric Surcharge is to be re-established during the Reconciliation Recovery Period to recover any such deficiency. Currently, Panhandle projects that an unrecovered balance will exist at March 31, 1996. Accordingly, pursuant to Section 18.10 (b)(4) of the General Terms and Conditions of Panhandle's tariff, Panhandle expects to file on or before May 1, 1996, supporting workpapers and tariff sheets to implement a new surcharge to be effective June 1, 1996 for the twelve month Reconciliation Recovery Period.

Panhandle states that in accordance with Section 154.2(d) of the Commission's regulations a copy of this filing. In addition, copies of this filing are being served on all affected customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
