SUPPLEMENTARY INFORMATION: HUD-11 contains a record for each individual receiving housing assistance from HUD under one of the following programs: Section 8, Public/Indian Housing, Section 236 (including Section 236 RAP), Rent Supplement, Section 221(d) 3 BMIR, Section 811, and Section 202. The information contained in this system of records is used by the Department to: Monitor compliance with statutory and regulatory requirements; provide information for program evaluation; perform statistics analyses; identify current recipients for the purposes of detecting error, fraud and overpayment of assistance; and to forecast budgetary needs. Routine use number 1 is revised to include a reference to the Tenant Eligibility Verification Files which are used when computer matching is involved. Also, a routine use disclosure is revised to expand the disclosure entities to include individuals under contract as well as cooperative agreement or grant (number 2). Additionally, routine use number 2 has been revised to include language providing for processing certifications/recertifications and for other research and statistical purposes not otherwise prohibited by law or regulation.

The revised routine uses paragraph is published in its entirety below. Previously, the system and a prefatory statement containing the general routine uses applicable to all HUD systems of records was published in the Federal Register Privacy Act Issuances, 1995 Compilation."
