SUPPLEMENTARY INFORMATION: This contract renewal has been determined to be categorically excluded from the procedural provisions of the National Environmental Policy Act and no environmental document will be prepared.

The existing concessioner has performed its obligation to the satisfaction of the Secretary under an existing contract which expires by limitation of time on December 31, 1997. Therefore pursuant to the provisions of Section 5 of the Act of October 9, 1965 (79 Stat. 969; 16 U.S.C. 20), the concessioner is entitled to be given preference in the renewal of the contract and in the award of a new contract providing that the existing concessioner submits a responsive offer (a timely offer which meets the terms and conditions of the Prospectus). If the existing concessioner agrees to match the best offer, then the contract will be awarded to the existing concessioner.

If the existing concessioner does not submit a responsive offer, the right of preference in renewal shall be considered to have been waived, and the contract will then be awarded to the party that has submitted the best responsive offer.

The Secretary will consider and evaluate all offers received as a result of this notice. Any offer, including that of the existing concessioner, must be received by the Superintendent, Bryce Canyon National Park; P.O. Box 170001; Bryce Canyon, Utah 84717; not later than sixty (60) days following release of the Prospectus to be considered and evaluated.
