

advanced payments are currently available to LRP participants:

- **Advanced Quarterly Payment Method**—The participant will receive two payments in the first quarter of the service obligation. The first payment will be disbursed approximately 30 days after the beginning of service and the second payment will be disbursed at the end of the first quarter, thereby placing the payment schedule one quarter in advance for the remainder of the service commitment.

- **Advanced Annual Lump Sum Payment Method**—The participant will be paid one advanced annual lump sum payment up to \$25,000 (plus 39% of that payment for tax assistance), approximately 90 days after the beginning of the first year of service, and another advanced annual lump sum payment up to \$25,000 (plus 39% of that payment for tax assistance), approximately 90 days after the beginning of the second year of service.

- **Advanced Biennial Lump Sum Payment Method**—The participant will receive one advanced biennial lump sum payment up to \$50,000 (plus 39% of that payment for tax assistance) approximately 90 days after the beginning of the first year of service.

The Secretary will identify and make available annually a list of those HPSA sites which will be available for service repayment under the NHSC LRP. The Secretary will select applicants for consideration for participation in the NHSC LRP according to the following criteria:

(1) The extent to which an individual's training in a health profession or specialty is determined by the Secretary to be needed by the NHSC in providing primary health services. From time to time, the Secretary will publish a notice detailing the professions and specialties most needed by the NHSC. Current professional and specialty priorities are outlined at the end of this notice.

(2) The extent to which an individual is determined by the Secretary to be committed to serve in a HPSA.

(3) The extent of an individual's demonstrated interest in providing primary health services.

(4) The immediacy of an individual's availability for service. Individuals who have a degree, have completed all necessary postgraduate training in their profession and specialty (i.e., in the case of physicians, are certified or eligible to sit for the certifying examinations of a specialty board, and in the case of other health professions, are certified in their specialty), and have a current and unrestricted license to practice their profession in the State in which they

intend to serve, will receive highest consideration.

(5) The individual's academic standing, prior professional experience in a HPSA, board certification, residency achievements, peer recommendations, and other criteria related to professional competence or conduct will also be considered.

In providing contracts under the NHSC LRP, priority will be given to an applicant:

- Whose health profession or specialty is most needed by the NHSC;
- Who has and whose spouse, if any, has characteristics that increase the probability of continuing to serve in a HPSA upon completion of his or her service obligation;
- Who is from a disadvantaged background, subject to the preceding paragraph.

#### Eligible Participants

To be eligible to participate in the NHSC LRP, an individual must:

(1) (a) Have a degree in allopathic or osteopathic medicine, dentistry, or other health profession, or be certified, in accordance with State licensure requirements, as a nurse midwife, nurse practitioner, or physician assistant. Other health professions include clinical psychology, clinical social work, and dental hygiene;

(b) Be enrolled in an approved graduate training program in allopathic or osteopathic medicine, dentistry, or other health profession; or

(c) Be enrolled as a full-time student at an accredited school in a State and in the final year of a course of study or program leading to a degree in allopathic or osteopathic medicine, dentistry, or other health profession.

(2) Be eligible for, or hold an, appointment as a commissioned officer in the Regular or Reserve Corps of the PHS or be eligible for selection for civilian service in the NHSC (e.g., must be a citizen or national of the United States); and

(3) Submit an application for a contract to participate in the NHSC LRP which contract describes the repayment of educational loans in return for the individual serving for an obligated period.

Any individual who previously incurred an obligation for health professional service to the Federal Government, a State Government, or other entity is ineligible to participate in the NHSC LRP unless such obligation is completely satisfied prior to the beginning of service under this Program. Any individual who has breached an obligation to the Federal Government, a State Government, or other entity is

ineligible to participate in the NHSC LRP.

Any individual who has a judgment lien against his or her property for a debt to the United States is ineligible to participate in the NHSC LRP until the judgment is paid in full or otherwise satisfied.

No loan repayments will be made for any professional practice performed prior to the effective date of the NHSC LRP contract. All individuals must have a current and unrestricted license to practice their profession in the State of practice prior to beginning service under this Program.

#### Professions and Specialties Needed by the NHSC

At this time, the Secretary has determined, based on community demand, that priority will be given to: Physicians (M.D.s and D.O.s) who are certified or eligible to sit for the certifying examination in the specialty boards of family practice, obstetrics/gynecology, internal medicine, and pediatrics.

#### Other Award Information

This program is not subject to the provisions of Executive Order 12372, Intergovernmental Review of Federal Programs, since Executive Order 12372 does not cover payments to individuals. In addition, this program is not subject to the Public Health System Reporting Requirements, since the requirements do not cover payment to individuals.

The OMB *Catalog of Federal Domestic Assistance* number for this program is 93.162.
