BILLING CODE 6116-01-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that on March 21, 1997, the United States lodged a proposed Consent Decree in *State of Washington versus United States*, No. C94-5326 (W.D. Wash.), with the United States District Court for the Western District of Washington. The Consent Decree resolves civil claims filed by the United States against PACCAR, Inc. ("PACCAR") under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), as amended, 42 U.S.C. Secs. 9606 & 9607, to compel PACCAR to undertake cleanup activities at the Wyckoff/Eagle Harbor Superfund Site ("the Site"), located at Bainbridge Island, Kitsap County, Washington, and to recover from PACCAR costs incurred by the United States in response to releases of hazardous substances at the Site. The Consent Decree also resolves PACCAR's contribution claims against the United States under Sections 107 and 113 of CERCLA, 42 U.S.C. Sec. 9613, relating to the Site.

Extensive areas of the harbor's bedlands, as well as areas of the harbor's

uplands, are contaminated with a variety of hazardous substances associated with the past operations of a shipyard and a wood treating facility at the harbor. Under the Consent Decree, PACCAR will implement the major components of EPA's selected remedy for the West Harbor Operable Unit ("WHOU") of the Site. The estimated value of PACCAR's cleanup work is \$4.8 million. The Decree also requires PACCAR to pay \$100,000 towards costs EPA expects to incur overseeing work performed by PACCAR, and to pay 45% of any cost overruns, and 45% of any unanticipated additional response actions required to achieve the goals of the environmental cleanup of the WHOU.

The Consent Decree requires the United States, on behalf of the United States Navy, Army, Coast Guard, Coast & Geodetic Survey and Maritime Administration, to pay \$4.8 million towards EPA's eventual cleanup of the East Harbor Operable Unit of the Site ("EHOU"), and \$100,000 towards expected EPA WHOU oversight costs. The United States, on behalf of these federal agencies, has also agreed to pay 40% of any cost overruns, and 40% of any unanticipated additional response actions required to achieve the goals of the environmental cleanup of the WHOU.

The Consent Decree resolves PACCAR's liability to the United States under Sections 106 and 107 of CERCLA, and the United States' liability to PACCAR under Sections 107 and 113 of CERCLA, for all costs either party has incurred or may incur in response to releases of hazardous substances at the Site. The Consent Decree does not address the United States' pending claims against the State of Washington under Sections 106 and 107 of CERCLA relating to the Site, or the State's claims against the United States for contribution under Sections 107 and 113 of CERCLA relating to the Site.

In order to allow the Department of Justice to evaluate public comments in time to avoid delaying the clean up work required by the Consent Decree, the Department must receive all comments by April 22, 1997. Accordingly, the Department of Justice will receive, until and including that date, comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, U.S. Department of Justice, 950 Pennsylvania Ave., N.W., Washington, D.C. 20530, and should refer to *State of Washington versus United States*, DOJ Ref. #90-7-1-525b.
