

entered, or withdrawn from warehouse, for consumption on or after March 1, 1996. The Department will order the suspension of liquidation ended for all such entries and will instruct the Customs Service to release any cash deposits or bonds. The Department will further instruct the Customs Service to refund with interest any cash deposits on post-March 1, 1995 entries. (2) The cash deposit rates for the other reviewed companies will be those rates established above (except that, if the rate for a firm is *de minimis*, i.e., less than 0.5 percent, a cash deposit of zero will be required for that firm). (3) For previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period. (4) If the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise. (5) If neither the exporter nor the manufacturer is a firm covered in this or any previous review or the original investigation, the cash deposit rate will be 1.51 percent, the "All Others" rate established in the *LTFV Final Determination* (58 FR 11029).

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d)(1). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) and 751(d) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22 and 19 CFR 353.25.

Dated: April 2, 1997.

Robert S. LaRussa,

Acting Assistant Secretary, for Import Administration.
