Grays Ferry Cogeneration Partnership; Notice of Amendment to Filing

April 7, 1997.

On April 2, 1997, Grays Ferry Cogeneration Partnership (Applicant) tendered for filing a supplement to its filing in this docket. No determination has been made that the submittal constitutes a complete filing.

The supplement provides additional information pertaining primarily to the technical operation of the cogeneration facility.

Any person desiring to be heard or objecting to the granting of qualifying status should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed by April 17, 1997, and must be served on the Applicant. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make Protestants parties to the proceeding. Any person wishing to become a party must file a petition to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket Nos. EC96-19-003, ER96-1663-003, ER97-2358-000, ER97-2364-000, and ER97-2355-000]

Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company; Notice of Filings

April 7, 1997.

Take notice that on March 31, 1997, Southern California Edison company (Edison), San Diego Gas and Electric Company (SDG&E), and Pacific Gas and Electric Company (PG&E), (collectively the Companies), and the Trustee for the California Independent System Operator Corporation (ISO Trustee), tendered several filings to implement the comprehensive restructuring of the

California electric marketplace, and responding to the Commission's orders dated November 26 and December 18, 1996, in Docket Nos. EC96-19-000 and ER96-1663-000.¹

Docket Nos. EC96-19-003 and ER96-1663-003

In Docket No. EC96-19-003 and ER96-1663-003, the ISO Trustee filed, among other things, the Independent System Operator's (ISO) organizational and governance documents, the ISO's Operating Agreement and Tariff, the Transmission Control Agreement and other materials and explanations required by the Commission as a condition to the transfer of operational control of transmission facilities in the State of California from the Companies to the ISO. The ISO Trustee's Power Exchange (PX) filign in this docket includes, among other things, the PX's organizational and governance documents, the PX's Operating Agreement and Tariff and other materials and explanations required by the Commission.

Also in Docket Nos. EC96-19-003 and ER96-1663-003, the Companies tendered for filing a Pro Forma Transmission Owner's Tariff. The Companies state that the Transmission Owner's Tariff, in conjunction with the tariff and agreements submitted by the ISO Trustee, contains the rate methodology, and certain terms and conditions related to transmission service provided over the Companies' facilities over which the ISO will have operational control. The Companies request that the Commission review the Pro Forma terms and conditions of the Transmission Owner's Tariff in this proceeding, and the utility-specific rates in the Companies' respective Section 205 tariff proceedings.

The Companies also submitted with the filing their joint response to certain questions raised by the Commission in its Phase I orders in this proceeding.

PG&E filed individually a Phase II market power filing and a response to the Commission regarding PG&E's proposed treatment of existing contracts. SDG&E filed individually a response to the Phase I orders consisting of a supplemental report concerning mitigation of market power and a description of how certain existing contracts will be administered after January 1, 1998. Edison filed

individually its market power mitigation strategies and a response to the Commission regarding Edison's proposed treatment of existing contracts.

Docket No. ER97-2355-000

In Docket No. ER97-2355-000, Edison filed a Transmission Owner Tariff and a Wholesale Distribution Access Tariff. The Transmission Owner Tariff describes the rates, terms, and conditions of service to be provided through the California ISO over Edison's transmission facilities. The Wholesale Distribution Access Tariff describes the rates, terms, and conditions of service to be provided to wholesale customers over Edison's distribution facilities. Edison requests that its filing be made effective on the same date that the ISO and PX Tariffs are made effective.

Docket No. ER97-2358-000

In Docket No. ER97-2358-000, PG&E tendered for filing a proposed Transmission Owner Tariff, a Wholesale Distribution Tariff, and Cost Support for PG&E specific rates associated with the ISO. The Transmission Owner Tariff describes the rates, terms, and conditions of service to be provided through the California ISO over PG&E's transmission facilities. The Wholesale Distribution Access Tariff describes the rates, terms, and conditions of service to be provided to wholesale customers over PG&E's distribution facilities. PG&E requests that its filing be made effective at the same time the separately filed ISO and PX Tariffs are made effective.

Docket No. ER97-2364-000

In Docket No. ER97-2364-000, SDG&E tendered for filing a Transmission Owner Tariff, which revises the rates, terms, and conditions of service to be provided through the California ISO over SDG&E's transmission facilities. The proposed Transmission Owner's Tariff would supersede SDG&E's Open Access Tariff presently on file with the Commission. SDG&E requests that its filing be made effective at the same time the separately filed ISO and PX Tariffs are made effective.

Any person desiring to be heard or to protest said filings should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 or 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 385.214). All such motions or protests should be filed on or before June 6, 1997. In addition, parties

submitting motions or protests must submit two copies of their filing on a computer diskette, one in WordPerfect 6.1 format, and one in a DOS file in the ASCII format (with 1" margins and 10 characters per inch). The two computer files should be labeled (____.WP and _____.ASC) to avoid confusion. Filings must include a one page executive summary.

Protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
