

Additionally, because the PSE represents that the proposed rule change cannot be used to limit its liability for intentional misconduct or for any violations of the federal securities laws, the Commission believes the proposal will protect investors and the public interest, while also serving to facilitate transactions in securities. For example, by defining the scope of potential liability more clearly, entities will not be discouraged from creating new products or calculating and disseminating settlement values.¹² Therefore, derivative products, which provide hedging or other economic functions, should remain available to investors.

The Commission finds good cause for approving Amendment No. 1 prior to the thirtieth day after the date of publication of notice of filing thereof. Amendment No. 1 simply clarifies that the Exchange will interpret its limitation of liability provisions in a manner that is consistent with other SROs' interpretations of their limited liability rules. Furthermore, this interpretation has been published in the **Federal Register** on several occasions for the full comment period, and no comments have ever been received. For these reasons, the Commission finds that accelerating approval of Amendment No. 1 is consistent with Section 6 and Section 19(b)(2) of the Act.¹³

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 1. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule changes that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing also will be available for

inspection and copying at the principal office of the Pacific Stock Exchange. All submissions should refer to File No. SR-PSE-97-01 and should be submitted by May 19, 1997.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁴ that the proposed rule change (SR-PSE-97-01), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁵

Deputy Secretary.

SUSQUEHANNA RIVER BASIN COMMISSION

Comprehensive Plan; Fee Schedule

AGENCY: Susquehanna River Basin Commission (SRBC).

ACTION: Notice of public hearing on addition to comprehensive plan; Fee schedule.

The Susquehanna River Basin Commission will hold two public hearings in conjunction with its regular meeting on May 15, 1997 at the Best Western Eden Resort Inn & Conference Center, 222 Eden Road, Lancaster, PA, beginning at 8:30 a.m. The first hearing

will be for the purpose of receiving public comments on the inclusion of the proposed Out-of-Basin Diversion Policy and Protocol in the Commission's *Comprehensive Plan for Management and Development of the Water Resources of the Susquehanna River Basin*. A second hearing will follow thereafter on proposed revisions to the Commission's project review fee schedule.

Under Section 3.10 of the Susquehanna River Basin Compact, P.L. 91-575, 84 Stat 1509 et seq., the Commission must review and approve all diversions of water from the Susquehanna River Basin. Up to this time, the Commission has adopted no formal policy position or statement on how it will evaluate proposed diversions, but has relied on positions articulated in past docket decisions. This policy establishes the principles that the Commission will consider in the approval of diversions and adds a protocol describing how those principles will be applied. Written comments will also be accepted and made a part of the hearing record.

The proposed revisions to the fee schedule will abolish the annual compliance monitoring fee for most projects and implement an upfront charge to defray the cost of compliance monitoring. The Commission will also be able to charge an extraordinary project review fee for projects that, because of their complexity, require an extraordinary expenditure of review time by Commission staff. Several other changes are proposed to improve the format and readability of the fee schedule.

Copies of the entire policy statement and protocol and the proposed revisions to the fee schedule may be obtained upon request to the Commission at 1721 N. Front Street, Harrisburg, PA 17102-2391; (717) 238-0423. Written comments may be submitted to and further information obtained from Richard A. Cairo, General Counsel.

Dated: April 16, 1997.

Paul O. Swartz,
Executive Director.
