## Notice of Issuance of Decisions and Orders During the Week of March 17 Through March 21, 1997

During the week of March 17 through March 21, 1997, the decisions and orders summarized below were issued with respect to appeals, applications, petitions, or other requests filed with the Office of Hearings and Appeals of the Department of Energy. The following summary also contains a list of submissions that were dismissed by the Office of Hearings and Appeals.

Copies of the full text of these decisions and orders are available in the Public Reference Room of the Office of Hearings and Appeals, Room 1E-234, Forrestal Building, 1000 Independence Avenue, SW, Washington, D.C. 20585-0107, Monday through Friday, between the hours of 1 p.m. and 5 p.m., except federal holidays. They are also available in Energy Management: Federal Energy Guidelines, a commercially published loose leaf reporter system. Some decisions and orders are available on the Office of Hearings and Appeals World Wide Web site at <http://www.oha.doe.gov>.

Dated: April 28, 1997.

## Appeals

*J. Richard Quirk, 3/19/97, VFA-0266*

The DOE granted a Freedom of Information Act (FOIA) Appeal filed by J. Richard Quirk. The DOE remanded the request to the Savannah River Operations Office with instructions to conduct a new expanded search for responsive documents and to issue a new determination.

*Niagara Mohawk Power Corp., 3/17/97, VEA-0004*

The Niagara Mohawk Power Corporation (Niagara) filed an Appeal from a determination issued to it by the Office of Environmental Management (OEM). Niagara asserted that the OEM erroneously determined its liability for payment into the Uranium Enrichment Decontamination and Decommissioning Fund established under the Energy Policy Act of 1992. The Office of Hearings and Appeals found that the OEM properly determined Niagara's Special Assessment. Accordingly, Niagara's Appeal was denied.

## Personnel Security Hearings

*Personnel Security Hearing, 3/21/97, VSO-0120*

An Office of Hearings and Appeals Hearing Officer issued an opinion under 10 CFR Part 710 concerning the

continued eligibility of an individual for access authorization. The Hearing Officer found that the individual has been a user of alcohol habitually to excess and has been diagnosed by a practicing psychiatrist as suffering from alcohol abuse, and has an illness or mental condition, which, in the opinion of that psychiatrist, causes or may cause a significant defect in judgment or reliability. The Hearing Officer further found that the individual failed to present sufficient evidence of rehabilitation, reformation or other factors to mitigate the derogatory information. Specifically, the Hearing Officer found that there was a significant risk that the individual might resume drinking since his asserted abstinence from alcohol was for less than a year and he had not fully accepted the Alcoholics Anonymous program. Accordingly, the Hearing Officer recommended that the individual's access authorization not be restored.

*Personnel Security Hearing, 3/21/97, VSO-0124*

An Office of Hearings and Appeals Hearing Officer issued an opinion addressing the eligibility of an individual for access authorization under the provisions of 10 CFR Part 710. The Hearing Officer found that the DOE Office had presented sufficient evidence to show that the individual: (i) Had been diagnosed as polysubstance dependent and continued to have an alcohol-related disorder, and (ii) has engaged in conduct or which tends to show that he is not reliable and trustworthy. The

Hearing Officer also found that the individual had not shown he was rehabilitated or presented evidence which mitigated the security concerns of the DOE. Accordingly, the Hearing Officer recommended that the individual be denied an access authorization.

#### Request for Exception

*Rice Oil Company, 3/21/97, VEE-0035*

Rice Oil Company (Rice) filed an Application for Exception asking that it be relieved of the requirement of filing Form EIA-782B, entitled "Resellers/Retailers' Monthly Petroleum Products Sales Report" and Form EIA-821, entitled "Annual Fuel Oil and Kerosene Sales Report." The DOE found that exception relief was not warranted because Rice was not experiencing a

special hardship, inequity or unfair distribution of burdens as a result of the requirement that it file the Forms. Consequently, the DOE denied the Application for Exception.

#### Refund Application

*Wales Transportation, Ed McCormick, John Burkhart, Richard Cook, 3/18/97, RF272-97064, RF272-97065, RG272-1050, RG272-1051*

The Department of Energy considered Applications for Refund filed in the Subpart V crude oil refund proceeding by Wales Transportation, Ed McCormick, John Burkhart and Richard Cook. The applications of the individuals were based on the purchases of petroleum products made by their trucking firm, C.A. White Trucking Company. The DOE found that

the Wales application should be denied because the firm had given up its right to a Subpart V crude oil overcharge refund by filing a waiver in the Surface Transporters refund proceeding. The DOE further found that the three individuals should receive a refund for White's purchases, divided according to their respective ownership shares.
