

extended for an additional half day, to run through the morning hours of June 25, 1997.

Even though the time for the meeting is being extended, FSIS is aware of concerns among those planning to attend that there still may not be enough time for presentations on inspection-related topics. Accordingly, meeting participants are requested to limit the duration of their oral remarks to 5 minutes. The official transcript of the meeting will be held open for the inclusion of participants' written remarks.

FSIS will make available at the meeting copies of short papers representing the Agency's current thinking on a number of topics relating to HACCP-based meat and poultry inspection. Comments or information on the ideas presented in these papers will be welcome.

Done, at Washington, D.C., on June 17, 1997.
