Any request for a hearing on this question must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

GENERAL SERVICES ADMINISTRATION

Notice of Availability, Draft Environmental Impact Statement for the Lease Construction and Consolidation of the Immigration and Naturalization Service (INS), Miami, Dade County, Florida

Pursuant to the requirements of the National Environmental Policy Act (NEPA) of 1969, and the President's Council on Environmental Quality Regulations (40 CFR 1500-1508), as implemented by General Services Administration (GSA) Order PBS P 1095.4B, GSA announces the availability of the Draft Environmental Impact Statement (EIS) for the lease construction to consolidate the Immigration and Naturalization (INS).

The DEIS is available for 45 days of public comment. The DEIS examined

the short and long term impacts on the natural and built environments of developing and operating a consolidated INS facility at 9300-9499 NW 41st Street, Miami, FL 33172. Potential impact assessment included impacts to public facilities and infrastructure, parking, traffic, and community and economic issues.

The DEIS also examined measures to mitigate unavoidable adverse impacts of the proposed action. Concurrent with NEPA implementation, GSA also implemented its consultation requirements under Section 106 of the National Historic Preservation Act to identify potential impacts to any existing historic or cultural resources.

The proposed action is to and lease a newly constructed building for the INS consolidation on the vacant parcel of land consisting of approximately 7.31 acres at 9300-9499 NW 41st Street, Miami, FL 33172. The proposed facility will consist of an office building containing a total occupiable area of approximately 214,600 square feet, along with supporting site improvements and 885 parking spaces. The subject site fronts for 390 feet along NW 41st Street and spans to the back to Dressels Canal (approximately 1150 feet south from 41st Street at the deepest point). The proposed facility would accommodate the INS by consolidating the District Office, the Asylum Office, and the Executive Office of Immigration Review (EOIR). The Krome Detention Center is a high-security containment facility located in Western Dade county and its location, function, and purpose will be unchanged as a result of the proposed action.

GSA has identified and screened from consideration, over 20 alternatives to the proposed action since 1993. GSA has identified the following alternatives to be examined by the EIS:

- "No Action," that is, take no action and continue to house the INS at its current locations.

- Lease construction of a consolidated facility of 214,600 occupiable square feet (osf) at the proposed site at 9300-9499 NW 41st Street, Miami, Florida 33172. This is the GSA preferred alternative.

The 45-day comment period will close on March 10, 1997. Comments should be provided in writing to the address below. Copies of the DEIS were distributed on Friday January 17. A copy of the DEIS and one copy of all of the public comments are available for inspection at the Metro-Date Public Library Fairlawn Branch located at 6869 SW 8th Street, Miami, FL 33144.

Mr. Phil Youngberg, Regional Environmental Officer (4PT), General

Services Administration (GSA), 401 West Peachtree Street, NW., Suite 3010, Atlanta, GA 30365

Fax: Mr. Phil Youngberg at 404-331-4540. Comments should be received no later than Monday, March 10, 1997. All comments must be in writing.

Dated: January 15, 1997.
