Title: Independent Audits.

OMB Number: 3064-0113.

Estimated Number of Respondents: 420

Estimated Number of Responses per Respondent: 3.

Estimated Total Annual Responses: 1,260.

the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's requests to OMB for renewal of this collection. All comments will become a matter of public record.
