

The Attorney General has redelegated her functions under the CSIEA to the Administrator of the Drug Enforcement Administration (DEA) and has authorized the Administrator to redelegate any of his functions to any of his subordinates (21 U.S.C. 871 (a), 28 CFR 0.100(b) and 28 CFR 0.104).

The Administrator of the Drug Enforcement Administration further redelegated his functions regarding the issuance of Import and Export Permits to the Deputy Assistant Administrator of the Office of Diversion Control of the Drug Enforcement Administration pursuant to 28 CFR 0.104. To further enhance the administration of the CSIEA and its attendant regulations, the Administrator has further redelegated to the Deputy Administrator of the DEA the authority to carry out or to redelegate any of the functions which may be vested in the Administrator which are not specifically assigned to or reserved by him.

The Deputy Administrator is amending 28 CFR, Appendix to subpart R, section 6, to include three other individuals in addition to the one individual who was previously delegated the authority to sign and issue Import and Export Permits pursuant to Title 21 U.S.C. 952 and 953 and all issues in regard to transshipments and intransit shipments of controlled substances under 21 U.S.C. 954.

The Acting Deputy Administrator certifies that this action will have no impact on entities whose interests must be considered under the Regulatory Flexibility Act (5 U.S.C. 601).

This action relates only to the organization of functions within DEA. As such, it is not a significant regulatory action under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget and does not require certification under Executive Order 12778. This action has been analyzed in accordance with Executive Order 12616. It has been determined that this matter has no federalism implications which would require preparation of a federalism assessment.
