

Parish, Louisiana, under Shell's blanket certificate issued in Docket No. CP97-172-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Specifically, SGPC proposes to establish a new delivery point to Southern Natural Gas Company (Southern) at the Venice Gas Plant in Plaquemines Parish, Louisiana, by constructing approximately 10 feet of 16-inch piping and appurtenances to tie into SGPC's 16-inch transfer piping facilities at the Venice Plant yard. The new delivery point would be established from SGPC's Mississippi Canyon Gathering System (MCGS) to Southern and would have no impact on SGPC's authorized rates. SGPC indicates that up to 150 MMcf/day of natural gas can be delivered to Southern at this new point. SGPC also indicates that the new point will have no change in the 600 MMcf/day capacity of the 30-inch MCGS.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

City of Tacoma, Washington; Notice Requiring Service of Motion for Late Intervention

January 21, 1997.

On March 27, 1996, the Skokomish Watershed Coalition (Coalition) filed a late motion to intervene in the above-captioned proceeding. However, the Coalition's motion did not include a certificate of service, as required by Rule 2010 of the Commission's Rules of Practice and Procedure. See 18 CFR 385.2010(a). As a result, it appears that parties to these proceedings may not have been served and may not have had an opportunity to file answers to the Coalition's late motion.

The Coalition will not be required to refile its motion to intervene. However, before the Commission considers whether to grant late intervention, the Coalition must serve a copy of this motion on each person whose name appears on the official service list for this proceeding, and file a certificate of service with the Commission. The 15-day period for filing answers to the Coalition's motion will begin as of the date that the Coalition files its certificate of service. See 18 CFR 385.213(d).
