Elemental Sulphur From Canada; Termination of Antidumping Duty Administrative Review

**AGENCY:** International Trade Administration/Import Administration, Department of Commerce.

**ACTION:** Notice of termination of antidumping duty administrative review.

**SUMMARY:** In response to a request from Mobil Oil Canada, Ltd. (Mobil), the Department of Commerce (the Department) published in the **Federal Register** (January 17, 1997, 62 FR 2647) the notice of initiation of the administrative review of the antidumping duty order on elemental sulphur from Canada, for the period December 1, 1995 through November 30, 1996. On June 3, 1997, we received a request for withdrawal of this review from Mobil. Because the Department has not devoted considerable time and resources to the review up to this point and because no other interested party requested a review, we are terminating this review.

**EFFECTIVE DATE:** August 22, 1997.

**FOR FURTHER INFORMATION CONTACT:** Donald Little or Maureen Flannery, AD/CVD Enforcement, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4733.

Applicable Regulations

Unless otherwise indicated, all citations to the Department's regulations are to the regulations as amended by the interim regulations published in the **Federal Register** on May 11, 1995 (60 FR 25130).

SUPPLEMENTARY INFORMATION:

Background

On December 19, 1996, Mobil requested an administrative review with respect to its entries or sales of elemental sulphur. On January 17, 1997, in accordance with 353.22(c), we initiated an administrative review of this order. On June 3, 1997, we received a withdrawal of request for review from Mobil.

Pursuant to 19 CFR 353.22(a)(5) of the Department's regulations, the Department may allow a party that requests an administrative review to withdraw such request not later than 90 days after the date of publication of the notice of initiation of the administrative review. The Department may extend this time limit if the Department decides it is reasonable to do so.

Because this request for withdrawal is early in the review, the Department has not devoted considerable time and resources to the review up to this point, and there were no requests for review from other interested parties, we are terminating this review.

This notice is in accordance with Sec. 353.22(a)(5) of the Department's regulations (19 CFR 353.22(a)(5)).

Dated: July 15, 1997.

Antidumping Duty Order

On July 7, 1997, in accordance with section 736(a)(1) of the Act, the Department published the antidumping duty order which directed the U.S. Customs Service to assess antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price of all entries of persulfates from the PRC. In the order, the weighted-average margin percentages were erroneously assigned; the weighted-average margin percentages for Sinochem Jiangsu Wuxi Import & Export Corporation ("Wuxi") and Shanghai AJ Import & Export Corporation ("AJ") were inverted. The following is the correction of this error:

Manufacturer/producer/exporter	Weight-average margin percentage
Sinochem Jiangsu Wuxi Import & Export Corporation .....	32.22
Shanghai AJ Import & Export Corporation (or Shanghai Ai Jain Import & Export Corporation) .....	34.41
Guangdong Petroleum Chemical Import & Export Trade Corporation .....	34.97
China-wide Rate .....	119.02

This amended order is published pursuant to section 736(a) of the Act (19 USC 1673e(a)) and 19 CFR 353.21.

Dated: July 16, 1997.
