Interest Rates

The Small Business Administration publishes an interest rate called the optional "peg" rate (13 CFR 120.214) on a quarterly basis. This rate is a weighted average cost of money to the government for maturities similar to the average SBA direct loan. This rate may be used as a base rate for guaranteed fluctuating interest rate SBA loans. This rate will be 6⅞ percent for the July-September quarter of FY 97.

Pursuant to 13 CFR 120.932, the maximum legal interest rate for a commercial loan which funds any portion of the cost of a project (see 13 CFR 120.801) shall be the greater of 6% over the New York prime rate of the limitation established by the constitution or laws of a given State. The initial rate for a fixed rate loan shall be the legal rate for the term of the loan.

Coast Guard

[CGD 97–040]

**Annual Certification of Cook Inlet
Regional Citizens' Advisory Council**

AGENCY: Coast Guard, DOT.

ACTION: Notice.

SUMMARY: Under the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990, the Coast Guard may certify, on an annual basis, a voluntary advisory group instead of a Regional Citizens' Advisory Council for Cook Inlet, Alaska. This certification allows the advisory group to monitor the activities of terminal facilities and crude-oil tankers in Cook Inlet as established by the statute. The purpose of this notice is to inform the public that the Coast Guard has recertified the alternative voluntary advisory group for Cook Inlet, Alaska.

EFFECTIVE DATE: July 1, 1997, through June 30, 1998.

FOR FURTHER INFORMATION CONTACT: Mr. Mark Meza, Project Manager, Port and Environmental Management Division (G–MOR–1), (202) 267–0421, U.S. Coast Guard Headquarters, 2100 Second Street SW., Washington, DC 20593–0001.

SUPPLEMENTARY INFORMATION: Congress passed, as part of the Oil Pollution Act of 1990, the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (the Act), 33 U.S.C. 2732, to foster the long-term partnership among industry, government, and local communities in overseeing compliance with environmental concerns in the operation of terminal facilities and crude-oil tankers.

Sub-section 2732(o) permits an alternative voluntary advisory group to represent the communities and interests in the vicinity of the terminal facilities in Cook Inlet, instead of a council of the type specified in sub-section 2732(d), if certain conditions are met. The Act requires that the group enter into a contract to ensure annual funding, and that it receive annual certification by the President to the effect that it fosters the general goals and purposes of the Act and is broadly representative of the community and interests in the vicinity

of the terminal facilities. Accordingly, in 1991, the President granted certification to the Cook Inlet Regional Citizens' Advisory Council (CIRCAC). He later delegated the authority to certify alternative advisory groups to the Commandant of the Coast Guard, who redelegate it to the Assistant Commandant for Marine Safety and Environmental Protection.

On May 22, 1997, in the **Federal Register**, the Coast Guard announced the availability of the application for recertification that it received from the CIRCAC and requested comments (61 FR 19110). It received none. Since it received no comments in opposition to the continued operation of the CIRCAC, the Coast Guard has determined that recertification of the CIRCAC in accordance with the Act is appropriate.

Recertification: By letter dated July 7, 1997, the Assistant Commandant for Marine Safety and Environmental Protection, certified that the CIRCAC qualifies as an alternative voluntary advisory group under 33 U.S.C. 2732(o). This recertification terminates on May 31, 1998.

Dated: July 27, 1997.

R.C. North,

*Rear Admiral, U.S. Coast Guard, Assistant
Commandant for Marine Safety and
Environmental Protection.*
