NIB and NISH, predominantly NISH, have about 1,000 associated NPAs that are interested in participating in the JWOD Program but have not yet received authorization to provide a particular JWOD product or service. A sample of these organizations will receive a survey very similar to the one being used for JWOD-participating NPAs with some differences in questions. Data will be used as a comparison to augment analysis of impacts on JWOD-participating NPAs.
