Re: Authorize Letter of Support to J. Robert Kramer, II

Whereas, April 21, 1997, the United States, the states of New York, Ohio, and Pennsylvania filed a Civil Antitrust complaint, a proposed Final Judgment and a Stipulation and Order between the parties of AKZO Nobel and Cargill, Inc., and

Whereas, the Stipulation and Order and proposed Final Judgment requires Cargill and AKZO to ensure that, until the divestitures mandated by the proposed Final Judgment are accomplished, AKZO's Watkins Glen evaporated salt plant and related assets will be maintained and operated as a saleable and economically viable ongoing concern, and

Whereas, both facilities are an extremely important and a vital part of our community, and,

Whereas, written comments may be submitted to the United States Department of Justice within 60 days of the date of publication of the Competitive Impact Statement in the Federal Register.

Now, therefore, be it resolved that a letter be prepared to J. Robert Kramer II, Chief-Litigation II Section, Antitrust Division, United States Department of Justice, 1401 H Street, NW, Suite 3000, Washington, D.C., 20530, on behalf of our Schuyler County community simply to make the United States Department of Justice aware of the importance of the jobs provided by both of these facilities and the economic impact that any downsizing or plant closings would have on our small Schuyler County community.

State of New York

County of Schuyler

I, Stacy Husted, Deputy Clerk to the Schuyler County Legislature, do hereby certify that the foregoing is a true and exact copy of resolution duly adopted by the County Legislature on May 12, 1997.

In testimony whereof, I have hereunto set my hand and the seal of said County Legislature at Watkins Glen, NY.

Stacy B. Husted,

Deputy Clerk.

Honorable Stacy B. Husted

Deputy Clerk, Schuyler County Legislature, County Office Building, Box 6, 105 Ninth Street, Watkins Glen, New York 14891

Re: *Proposed Judgment in United States, et al. v. Cargill Inc. and Akzo Nobel, NV, et al.*

Dear Ms. Husted: Thank you for your May 19 letter to Mr. Kramer, in which you enclosed a copy of the May 12, 1997 resolution adopted by the Schuyler County Legislature concerning the proposed Final

Judgment in this case. The proposed Judgment, if entered by the Court, would alleviate the competitive concerns raised by Cargill's acquisition of the salt operations of Akzo Nobel. The Judgment requires Cargill and Akzo to divest certain assets related to the production and sale of bulk deicing salt. It also requires Cargill to divest the evaporated salt plant in Watkins Glen acquired from Akzo Nobel.

The Akzo and Cargill salt plants are the major employers in Watkins Glen, the seat of Schuyler County. In its resolution, the Schuyler County Legislature wanted to make "the Department of Justice aware of the importance of the jobs provided by both of these facilities and the economic impact that any downsizing or plant closings would have on our small Schuyler County community."

I would first note that the proposed Final Judgment does not affect the Watkins Glen salt plant owned by Cargill prior to Cargill's acquisition of Akzo Nobel. As to the Akzo plant, the Department of Justice and the Schuyler County Legislature have similar concerns. The Judgment requires Cargill to divest the former Akzo plant in such a way as to satisfy the Department of Justice that it will be used as part of a viable, ongoing business engaged in the production and sale of food grade salt (Judgment, §§IV(B) and (G)). As such, the Akzo plant will continue to need a skilled work force. Although the purchaser of the facility will have the same right that Akzo has historically had to determine the appropriate size of its workforce, the Department of Justice would not approve the plant's purchase by a person who intends to shut the plant down or take other actions that would render the plant an ineffective competitor in the market.

Thank you for bringing your concerns to our attention. We hope that this information will help alleviate them. Pursuant to the Antitrust Procedures and Penalties Act, a copy of your letter and the Schuyler County resolution and this response will be published in the **Federal Register** and filed with the Court.

Sincerely yours,

Anthony E. Harris,

Attorney, Litigation II Section.

Background

On August 29, 1996, OSHA published a notice of intent to form a Metalworking Fluids Standards Advisory Committee (MWFSAC) and asked the public for nominations of individuals with suitable experience or expertise to serve as members (61 FR 45459). The Secretary of Labor chartered the advisory committee to address the relevant issues surrounding occupational exposure to metalworking fluids. These issues include methods of analysis and measurement, health effects, significance of risk, and technological and economic feasibility. The Secretary recently appointed fifteen persons to serve as members of MWFSAC, representing the interests of small and large employers, workers, academics, safety and health professionals, and government agencies (62 FR 39551, 7/23/97).

OSHA invites the public to attend the first MWFSAC meeting on Tuesday, September 2, 1997. Seating will be available on a first-come, first-served basis.

Meeting Agenda

The agenda for the first meeting of the advisory committee includes: introduction of members, welcome by the Acting Assistant Secretary of OSHA, discussion of committee procedures, administrative details, review of the committee charter, discussion of exposure sources and metalworking fluid operations, discussion of metalworking fluid design and uses, and discussion of appropriate source documents which MWFSAC may wish to use.

Public Participation

Interested persons may file written comments, data, views or statements for consideration by MWFSAC by submitting them to Dr. Peter Infante. Interested persons may also address the committee on items that are on the meeting agenda. A person wishing to make such an oral presentation must provide Dr. Infante with a summary of the proposed presentation, an estimate of the time desired, and a statement of the interest that the person represents. Presentation time will be allotted to speakers based on the amount of time available. In addition, public attendees may be allowed to participate in committee discussions, in the Chair's discretion and subject to time available.

Authority

This notice is issued under the authority of sections 6(b)(1) and 7(b) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 655, 666), the Federal Advisory Committee Act (5 U.S.C. App. 2), and 29 CFR part 1912.

Signed at Washington, D.C., this 5th day of August, 1997.

Greg Watchman,

Acting Assistant Secretary of Labor.
