Anhydrous Sodium Metasilicate From France; Notice of Termination of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of termination of antidumping duty administrative review.

SUMMARY: On March 3, 1997, the Department of Commerce ("the Department") published in the **Federal Register** (62 FR 1874) a notice announcing the initiation of an administrative review of the antidumping duty order on anhydrous sodium metasilicate (ASM) from France. The initiation was in response to a request for review by the petitioner, the PQ Corporation. This review covers Rhone-Poulenc, a manufacturer/exporter of ASM, and the period of review (POR) from January 1, 1996 through December 31, 1996. However, we are terminating this review as a result of the absence of entries into the United States of subject merchandise manufactured/exported by Rhone-Poulenc.

EFFECTIVE DATE: August 15, 1997.

FOR FURTHER INFORMATION CONTACT: Mark Ross or Richard Rimlinger, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4733.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Tariff Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act by the Uruguay Round Agreements Act.

Background

The Department published in the **Federal Register** on January 14, 1997 (62 FR 1874) a "Notice of Opportunity to Request Administrative Review" of the antidumping duty order on ASM from France (46 FR 1667, January 7, 1981). On January 28, 1997, the petitioner requested an administrative review of Rhone-Poulenc, a manufacturer/exporter of ASM. The Department initiated the review on

March 3, 1997 (62 FR 9413). On April 2, 1997, Rhone-Poulenc filed a letter explaining that it did not export any subject merchandise to the United States during the POR. On April 10, 1997, the Department sent a no-shipment inquiry regarding Rhone-Poulenc to the U.S. Customs Service. The purpose of this inquiry was to determine whether the U.S. Customs Service suspended liquidation of entry summaries of this merchandise during the period. Because the U.S. Customs Service did not identify any suspended entry summaries of ASM manufactured/exported by Rhone-Poulenc during the POR, we have determined that no entries into the customs territory of the United States occurred during the POR. Therefore, we are terminating this review. The cash deposit rate for Rhone-Poulenc will remain at 60 percent, the rate established in the most recently completed segment of this proceeding (61 FR 44038, August 27, 1996).

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22 (1997).

Dated: August 7, 1997.

Richard W. Moreland,
Acting Assistant Secretary for Import Administration.
