Proposed Project: Protection and Advocacy for Individuals with Mental Illness (PAIMI) Final Rule—Information collection requirements in the Final Rule for the protection and advocacy programs serving individuals with mental illness. The PAIMI Act (Pub. L. 99-319) authorized funds to support activities on behalf of individuals with mental illness. Recipients of this formula grant program are required by law to annually

report their activities and accomplishments to include the number of individuals served, types of facilities involved, types of activities undertaken and accomplishments resulting from such activities. This summary must also include a separate report prepared by the PAIMI Advisory Council descriptive of its activities and assessment of the operations of the protection and advocacy system.
