National Highway Traffic Safety Administration

49 CFR Part 580

[Docket No. 87-09, Notice 16]

RIN 2127-AG83

Odometer Disclosure Requirements; Exemptions

AGENCY: National Highway Traffic Safety Administration, DOT.

ACTION: Interim final rule; request for comments.

SUMMARY: This interim final rule amends 49 CFR Part 580 by establishing a new § 580.17, by repromulgating the exemptions for certain categories of vehicles from odometer disclosure requirements now located in § 580.6, and by moving the exemptions to the new § 580.17. This interim final rule also revises the authority citation for part 580 to reflect Public Law 104-205.

The agency is taking this action pursuant to recent Federal legislation affirming the agency's exemption authority. Pub. L. 104-205 (Sept. 30, 1996). The repromulgation is necessitated by a recent United States Court of Appeals decision that has raised questions about NHTSA's authority to exempt categories of vehicles from the Federal odometer disclosure requirements.

This document is published as an interim final rule, to be effective immediately on publication in the **Federal Register**. NHTSA is requesting comments on this rule. At the close of the comment period, NHTSA will publish a document responding to the comments and, if appropriate, amending the provisions of this rule.

DATES: This rule is effective immediately upon publication in the
