#### Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA)

publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

#### **Proposed Project: Ryan White Comprehensive AIDS Resources and Emergency (CARE) Act Women's Initiatives (WIN)—New**

The Health Resources and Services Administration's HIV-AIDS Bureau proposes to collect information about HIV-related services provided to women of child-bearing age and their children. Information will be collected annually from eight grantees funded under Sections 2671 and 2691 of the Public Health Service Act and 320 of the individual and institutional providers

who provide services to HIV-infected pregnant women in the grantee service areas. The eight funded sites will collect the information in person or by telephone from the providers in their service areas, and forward the data collection forms to a HRSA contractor. There are no plans to collect or transmit the data electronically.

The purpose is to document current care system characteristics and facilitate planning for services to women with HIV and their children. The information will be used within and outside HRSA to inform the administration and Congress about HIV counseling and testing services for pregnant women, services and referral resources for pregnant women with HIV, antiretroviral therapies, and outreach related to perinatal HIV transmission reduction. Annual burden estimates are as follows:

Type of respondent	Number of respondents	Responses per respondent	Burden hours per response	Total burden hours
Providers .....	320	1	.75	240
Funded Sites .....	8	40	1	320
Total .....	328	.....	.....	560
